

**Requested Council Meeting Date: July 5, 2016**

**Council Bill No. 2016-130**

**Item: Award of Construction Contract for the Sanitary Sewer Renovation Phase 2 Project**

**Originating Department: Public Works – Engineering**

Attachments: 1) Project Map (Exhibit 1)  
2) Bid Tab  
3) Council Bill No. 2016-130

Department Head: Troy Bolander  
Department Head: Nicholas A. Heatherly  
Finance Department: Leslie Haase  
City Attorney: Peter C. Edwards  
City Manager: Samuel L. Anselm

**Recommended Action:** Approval of a Construction Contract with Rosetta Construction, LLC, in the amount of \$4,783,042.30 for the Sanitary Sewer Renovation Phase 2 project as part of the CDBG-DR Program.

**Background:** On August 4, 2014 Allgeier Martin and Associates was awarded a consulting contract to evaluate the sanitary sewer system within the disaster recovery area and to prepare plans and bid documents for reconstruction projects within that boundary. Continued repair and reconstruction of the sanitary sewer system in the recovery zone was a part of the Capital Plan approved by City Council on July 7, 2015.

**Discussion:** In accordance with the City of Joplin's procurement policies the project was advertised in the May 15, 2016 edition of the *Joplin Globe*. Bids from three companies were opened on June 9, 2016 with Rosetta Construction, LLC, providing the lowest bid. The low bid was below the Engineer's estimate. Work consists of the renovation of existing 8-inch, 10-inch, and 12-inch diameter sewer pipe through both trenchless and excavation reconstruction methods. Trenchless work includes the installation of over 20,000 lineal feet of Cured-In-Place Pipe (CIPP), nearly 1,000 lateral connection repairs (LCRs), installation of a flexible interior chimney sealant in nearly 180 manholes, and the application of cementitious lining in more than 100 manholes. Excavation work includes the reconnection of over 500 existing sewer service lateral lines, and about 20 point repairs on sewer main lines.

**Recommendation:** Staff recommends approval of a Construction Contract with Rosetta Construction, LLC, in the amount of \$4,783,042.30 for the Renovation Phase 2 project on an emergency basis per Section 2.12 (6) of the Joplin City Charter.
