This vacation request is for an 801-foot portion of County Lane 191, located north of the intersection of County Lane 191 and 31st Street. This request will vacate the street, but will leave all utility easements in place. Much of the requested right-of-way to be vacated is currently unimproved.

Joplin Industrial Development Authority currently owns the portion of County Lane 191 that is north of the requested street vacation. If this street vacation is approved, Joplin Industrial Development Authority intends to sell the vacated portion of CL-191 up to 26th Street, and its lot to the west of the vacation, to KDH Properties on the north. This street vacation will allow for a consolidation of property under the ownership of one company. All adjacent property owners and relevant utility companies have submitted notarized affidavits stating that they don't have a concern with the vacation request.
