Re: Joplin Regional Airport (JLN); Joplin, MO
Potential AIP No. 3-29-0037-039

Subject: Initiation of Work for Proposed FY 2018 Project

Dear Mr. Stockam:

Proposed Project

The FAA is considering the following project(s) as part of the FY 2018 Airport Improvement Program (AIP):

<u>Acquire Class 4 ARFF Vehicle</u>	<u>\$522,500.00</u>
<i>Proposed Project Description</i>	<i>Anticipated Federal Share</i>

The project(s) scope of work and anticipated Federal share are based on your Airport Capital Improvement Plan (ACIP) Data Sheet.

Contact me if you no longer plan to accomplish this work this year, the scope has changed, or the cost estimate has changed significantly.

Purpose and Limitations of Letter

This is not a guarantee of funding, nor is the value of the project considered a final determination by the FAA. The Congressional notification of funding, if issued, will serve as your official announcement that funding is available for your location. We ask that you portray all work activities performed prior to Congressional release of funds as a sponsor initiative as opposed to a confirmation of Federal funding.

What you need to do now

To compete for funding this fiscal year, you should complete the following actions:

- Review your estimate of probable costs and contact our office if there is a significant increase or decrease in the required Federal share.

- Evaluate your progress in meeting your 3-year DBE Program goal. If you have any questions regarding your DBE Program, contact Ms. Ofelia Medina at (310) 725-3945 or ofelia.medina@faa.gov.
- Initiate actions that require long lead times.

Proposed Schedule of Sponsor Actions

Please complete the following actions no later than the date proposed. Contact me if you cannot meet these deadlines.

Submit 30% Engineer’s Report and Preliminary CSPP by **4/20/2018**
Submit 90% Engineer’s Report, Plans, Specifications, and Draft CSPP by **5/4/2018**
Open Bids by **6/4/2018**
Submit Grant Application..... **6/12/2018**

Detailed Guidance

Detailed guidance regarding each of the above steps can be found in the AIP Sponsor Guide located at http://www.faa.gov/airports/central/aip/sponsor_guide/.

Questions

If you have any questions, please contact me at (816) 329-2643 or dan.wilson@faa.gov.

Sincerely,

Dan Wilson, P.E.
Regional Pavement and Equipment Engineer
