If, through any cause, the DEVELOPER shall fail to fulfill in timely and proper manner its obligations under this contract, or if the DEVELOPER shall violate any of the covenants, agreements, or stipulations of this contract, the CITY shall thereupon have the right to terminate this contract by giving written notice to the DEVELOPER of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. If the DEVELOPER fails to cure such default within such time as may be required by such notice, the CITY, acting by and through the AGENCY, may at its option terminate and cancel the contract.

In the event of such termination, all grant funds awarded to the DEVELOPER pursuant to this agreement shall be immediately revoked and any approvals related to the PROJECT shall immediately be deemed revoked and canceled. In such event, the DEVELOPER will no longer be entitled to receive any compensation for work undertaken after the date of the termination of this agreement, as the grant funds will no longer be available for this project.

Such termination shall not effect or terminate any of the rights of the CITY as against the DEVELOPER then existing, or which may thereafter accrue because of such default, and the foregoing provision shall be in addition to all other rights and remedies available to the CITY under the law and the note and mortgage (if in effect), including but not limited to compelling the DEVELOPER to complete the project in accordance with the terms of this agreement, in a court of equity.

The waiver of a breach of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition hereof.

Section XVII – Reporting Responsibilities

The DEVELOPER agrees to submit any and all quarterly reports required by HUD or the CITY to the AGENCY on the following due dates: December 1, March 1, June 1, next following the date of this agreement.

PROPOSAL FOR: 2016 JOPLIN CONSORTIUM CHDO NEW CONSTRUCTION HOMEBUYER PROGRAM

The Economic Security Corporation of Southwest Area (ESC) presents the following proposal intended to meet the purposes of the Community Housing Development Organization (CHDO) set-aside funds.

SUMMARY

ESC proposes to use \$115,000.00 CHDO 2016 Funds, \$29,605.50 2014 HOME Entitlement Funds, \$36,839.00 2015 HOME Entitlement funds, and \$23,555.50 of 2017 CHDO funds to acquire and redevelop three (3) single family lots, re-record acquired land to two (2) lots and build two (2) homes. The program will be fully financed by these grant funds. The homes built under this program will be located in a community that is a member of the Joplin Consortium. The home will also benefit Low-Moderate Income (LMI) families. The purposes of the project will be to improve neighborhood conditions by stabilizing housing stock and to promote homeownership.

It is the intent of the ESC to develop the project in a way that the program grows and becomes more self-sustaining with time. As homes are sold, the remaining funds, including any potential profits, will be reused in the program. As funds become free of federal regulations, a portion of the proceeds will be donated to another organization for a planned HOME eligible activity, allowing for the eventual shift of future HOME funds from other program activities to an increase in CHDO funding for this program.

The program will be flexible in that if a home does not sell and starts to become a liability to the organization there will be other options available. These options will include the use of a lease-purchase agreement and/or the eventual conversion of the house into an affordable rental unit owned and managed by the ESC.

ACQUISITION

The lots located at 902, 906 & 908 Center Street, located in the City of Sarcoxie, MO have been selected by ESC as the lots to acquire. The three lots acquired are anticipated to cost approximately \$10,000.

Environmental Review has been completed by the City to determine site eligibility, and upon approval of the Joplin City Council and execution of written agreement, ESC will be given notice to proceed to acquire and commence with all responsibilities in aforementioned agreement.

CONSTRUCTION

The homes will be built in conformance with local applicable building code standards. ESC will either use its own employees, sub-contract out, or hire a general contractor to perform the construction of each home. ESC would like to reserve the right to work with a volunteer group if given the opportunity.

The ESC will abide by the following Procurement Standards:

- 1) Under \$1,000 – determined by DEVELOPER;
- 2) \$1,000 - \$15,000 – at least three (3) written estimates are required;
- 3) Over \$15,000 – at least three (3) competitively sealed bids from contractors/ suppliers.

The lowest, most responsive and responsible bidder will be awarded each contract. The contractor's ability to complete each activity in a timely manner will also be considered during the selection process. The contractor will have a pre-negotiated start and end date for the project. They will also be required to obtain all applicable licenses and permits where required. The ESC will oversee and inspect the construction of each home,

including the approval of pay requests. Payments to the contractor will be made upon each approved inspection.

SALE TO HOMEBUYER

Since the intent and purpose of the CHDO program is to assist LMI homebuyers, a concerted effort will be made to sell each project to those LMI families for the purpose of homeownership.

The ESC will prepare “For Sale” flyers and have them available in yard signs at each property and distribute them to all area realtor offices on a routine basis. Advertisements will also be placed in local newspapers, especially the Joplin Globe, at least once a month. These costs will be accounted for in the budgeting phase. When a written offer is made, either by the individual homebuyer or their representative (realtor), the decision to accept, decline, or make a counter offer will be made by the ESC. When an acceptable price is agreed upon by both parties, a title company will be selected by the buyer’s representative or procured for by the ESC, if necessary. A standard closing process will be completed by the title company. The ESC will receive all (CHDO) proceeds at the closing of the property.

OTHER OPTIONS

In the event a particular project does not sell within nine (9) months of its construction completion, the ESC reserves the right to exercise other options including a lease-purchase agreement and/or the conversion of the project to an affordable housing rental unit. A separate agreement will be developed between the ESC and City of Joplin for this purpose if and when it is necessary.

CHDO PROCEEDS

When homes are sold, the funds that are repaid to the ESC will be considered CHDO Proceeds and placed into a reserve account. When a sufficient amount of funds are available in the account, the CHDO Proceeds will be used to fund HOME-eligible rehabilitation projects or additional new construction, as desired.

When the homes that are developed with CHDO proceeds are sold, the funds that are repaid to the ESC will no longer be restricted to federal regulations and will be considered “cash proceeds”. The ESC proposes to use those funds as owner equity in future activities and as cash donations to other organizations for planned HOME eligible activities in exchange for a reasonable increase in Joplin Consortium HOME funding.

PROGRAM BUDGET

The following budget represents our anticipated costs per home:

	Acquisition	Construction	Developer Fee	Totals
Home #1	\$ 5,000	\$ 88,200.00	\$ 9,300.00	\$ 102,500.00
Home #2	\$ 5,000	\$ 88,200.00	\$ 9,300.00	\$ 102,500.00
