STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

Rezoning this property to Single Family Residential would allow it to be consistent with its current use. There are a mix of zoning districts in this vicinity of town.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

Rezoning this property to residential would be consistent with its current use.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

Rezoning will minimally impact surrounding properties.

DISCUSSION

On April 9, 2018, this property was rezoned from Single-Family Residential (R-1) to Neighborhood Commercial District (C-1). At the time, there was a potential deal to sell the property for commercial use. However, that deal has fallen through and will no longer take place. The applicant wishes to once again rezone this property to Single-Family Residential (R-1) in order to keep using it for its current use and possibly sell it as a residential property. There is currently a house on the property, but no adjacent properties are zoned Residential. However, the character of the surrounding neighborhood does not make rezoning this lot to residential an inappropriate use.

Staff recommends approval of Case 032-18.
