BACKGROUND

The above listed address was “tagged” as a dangerous building on July 18, 2018. The structures were determined to be dangerous under sub sections of the Dangerous Building Code (Section 26-612, Joplin City Code). On November 30, 2018, an advertisement for bids was published in the Joplin Globe with bids being received on December 14, 2018 for the removal of structures and any remaining debris including footings and foundations. FUNDING SOURCE

These payments are included in the FY 2018-19 budget of the Revolving Fund.

RECOMMENDATION

City Staff recommends that the demolition removal contract be awarded to Big Johns for \$2,900.00 and that it be approved on an emergency basis within the meaning of section 2.12 (1) for the immediate preservation of public health and welfare.
