CDBG-DR Round 1 Action Plan Amendment #17

REVIEWED BY

Dept. Head: Director of Planning & Community Development: Troy Bolander; Finance Director: Leslie Haase; City Attorney: Peter Edwards; Interim City Manager: Dan Pekarek

SUMMARY

This Council Bill authorizes the approval of CDBG-DR Round Action Plan Amendment #17.

BACKGROUND

In July 2015, City Council approved the Capital Plan for the expenditure of CDBG-DR funds which included the construction of various Street Improvement projects. Due to cost savings throughout these projects, the City plans to move forward with 3 projects that were identified as the next top projects if additional funding came available. In June of 2018 the City of Joplin approved a contract with Olsson Associates, DBA Joplin Engineering Team (JET) for the design, bidding and construction management of these Street Improvement projects. Surface Project 4009, the first of the projects to move forward, had a pre-bid meeting on May 16, 2019 and has a Bid Opening on May 30, 2019.

The proposed Amendment #17 will re-allocate \$1,700,000 from the 20th and Main Streetscape activities to the Public Infrastructure Improvements activity. A substantial amendment, by definition, is an amendment to an Action Plan over \$1,000,000, and requires posting for public comments and City Council approval in order to submit to the U.S. Department of Housing and Urban Development (HUD) for review. Notice of the amendment has been posted on the City's website and in the Joplin Globe, and any public comments received will be shared with City Council. If approved, this amendment will be forwarded to HUD for their review.

FUNDING SOURCE

These payments are covered by the CDBG-DR Grant Funds.

RECOMMENDATION

Staff recommends approval of RS 2019-007, an CDBG-DR Round I Action Plan Amendment #17.
