### **SUMMARY**

This Council Bill authorizes the City Manager or his designee to enter into an agreement with Branco Enterprises, Inc. in the amount of One Million Nine Hundred Seventy-Six Thousand Seven Hundred Thirty-Five and 00/100 dollars (\$1,976,735.00) for the construction of Surface Project 4002.

### **BACKGROUND**

In June 2018, City Council approved a contract with Olsson Associates dba Joplin Joint Engineering Team (JET) for the design, survey, bidding and construction phase services of three additional surface projects as a result of previous CDBG-DR project cost savings. Surface Project 4002 is one of these three projects, and includes the replacement of damaged sidewalks, curbs & gutters, ADA ramps and street pavement. The area for Surface Project 4002 in general is from Maiden Lane to Jackson Avenue and 20<sup>th</sup> Street to 22<sup>nd</sup> Street. In accordance with the City of Joplin's procurement policies, a Request for Proposal for construction of Surface Project 4002 was advertised in the Joplin Globe on September 15, 2019, and bids were received by the City on October 9, 2019. Five proposals were received, with Branco Enterprises, Inc. selected as the lowest, most responsive bidder. The low bid was within 5% of the engineers estimate. Work will begin after the contract is approved and signed, and is to be substantially complete by May 18, 2020, with the final completion date set at June 19, 2020.

### **FUNDING SOURCE**

These payments are covered by the CDBG-DR Grant Funds.
