WHEREAS, the Redevelopment Plan provides for the redevelopment of the Redevelopment Area in two (2) projects designated as Redevelopment Projects 1 and 2; and,

WHEREAS, pursuant to the Act, the Joplin Tax Increment Financing Commission (the "Commission") notified the affected taxing jurisdictions of their right to designate representatives to serve as members of the Commission for the purpose of conducting a public hearing and making recommendations with respect to the Redevelopment Plan to the City Council of the City of Joplin, Missouri (the "City Council"); and,

WHEREAS, the Joplin School District designated two representatives, Newton County designated two representatives, and the other affected taxing jurisdictions designated a representative to serve as members of the Commission; and,

WHEREAS, notice of a public hearing on August 8, 2019, before the Commission to discuss the proposed Redevelopment Plan and the Redevelopment Projects included therein, was provided in accordance with the provisions of the Act; and,

WHEREAS, on August 8, 2019, the public hearing was opened and all interested parties were provided with an opportunity to present evidence and hear testimony regarding the proposed Redevelopment Plan and Redevelopment Projects and, on said date, the Commission having heard and considered the objections, protests, comments, and other evidence adduced at the public hearing, closed the public hearing and voted to adopt resolutions recommending to the City Council that 1) the Redevelopment Area described in the Redevelopment Plan be designated as a blighted area; 2) specific statutory findings be made regarding the Redevelopment Plan; 3) the Redevelopment Plan and Redevelopment Projects 1 and 2 included therein be approved; and 4) Summit Denali, LLC, be designated as the developer for Redevelopment Projects 1 and 2; and,

WHEREAS, notice of amendments to the proposed Redevelopment Plan was provided to the

taxing jurisdictions on October 11, 2019 and published in the *Joplin Globe* in accordance with the Act; and,

WHEREAS, the City Council having considered the evidence and testimony submitted at the Commission public hearing and the recommendations of the Commission, desires to approve the Redevelopment Plan, designate the Redevelopment Area and Redevelopment Project Areas, and designate Developer as the developer for Redevelopment Projects 1 and 2.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF JOPLIN, MISSOURI, as follows:

Section 1. That the Redevelopment Plan, a copy of which is attached hereto as Exhibit A, is hereby approved and adopted.

Section 2. That the tracts of land legally described in Exhibit 1 to the Redevelopment Plan are hereby designated as a Redevelopment Area and Redevelopment Project Areas 1 and 2 as set forth therein.

Section 3. That the City Council hereby finds that:

- 1) The Redevelopment Area on the whole is a blighted area as defined in the Act and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing pursuant to the Redevelopment Plan, and such fact is acknowledged on behalf of the Developer in an affidavit included in Exhibit 8 to the Redevelopment Plan. The areas selected for the Redevelopment Projects include only those parcels of real property and improvements thereon which will be directly and substantially benefited by the Redevelopment Project improvements. The following factors, as further outlined in the Blight Study included in Exhibit 7 of the Redevelopment Plan, are found to exist within the Redevelopment Area constituting an economic liability and a menace to the public health, safety, morals, or welfare based upon a predominance of the following:

- a. Unsanitary and unsafe conditions;
 - b. Defective or inadequate street layout;
 - c. Improper subdivision or obsolete platting;
 - d. Deterioration of site improvements; and
 - e. The existence of conditions which endanger life or property by fire and other causes.
- 2) The Redevelopment Plan conforms to the *Joplin Moving Forward: Comprehensive Plan 2012* of the City of Joplin, the comprehensive plan for the City as a whole.
 - 3) The completion of the Redevelopment Projects included in the Redevelopment Plan and retirement of obligations incurred to finance redevelopment project costs associated with the Redevelopment Projects will occur no later than twenty-three (23) years from the adoption of any ordinance approving a Redevelopment Project within the Redevelopment Area. The completion of all projects included in the Redevelopment Plan and retirement of any obligations incurred to finance redevelopment project costs will occur no later than thirty-three (33) years from the adoption of the ordinance approving the Redevelopment Plan. No property for a project will be acquired by eminent domain later than five (5) years from the adoption of the ordinance approving the Redevelopment Project.
 - 4) The Redevelopment Plan includes a plan for relocation assistance for businesses and residences located in the Redevelopment Area.
 - 5) A cost-benefit analysis showing the impact of the Redevelopment Plan on each taxing district which is at least partially within the boundaries of the Redevelopment Area has been prepared in accordance with the Act. The analysis shows the impact on the economy if the Redevelopment Projects are not built, and are built, pursuant to the Redevelopment Plan. The cost-benefit analysis includes a fiscal impact study on every affected political subdivision, and sufficient information for the City Council to evaluate whether the Redevelopment Plan as proposed is financially feasible.

- 6) The Redevelopment Plan does not include the initial development or development of any gambling establishment.

Section 4. That Developer is hereby designated as developer of Redevelopment Projects 1 and 2.

Section 5. That the designation of the Developer as the developer of Redevelopment Projects 1 and 2 and any reimbursement to the Developer of tax increment financing revenues for reimbursable project expenses is conditioned upon the execution of a Tax Increment Financing Contract between the City and Developer, said Tax Increment Financing Contract to be approved by the City Council by ordinance upon terms and conditions as agreed upon by the parties to carry out the goals and objectives of the Redevelopment Plan.

Section 6. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor and City Council.

PASSED BY THE COUNCIL OF THE CITY OF JOPLIN, MISSOURI, this _____
