FINALIZATION OF CONSENT AGENDA
There being no further business to come before the Council, the Consent Agenda was finalized.

REPORTS AND COMMUNICATIONS
Ryan Jackson, Chairman of the Capital Improvement and Public Safety Sales Tax Oversight Committee presented the committee’s Semi-Annual Report. The committee’s observations are as follows:

As of the Oversight Committee’s last meeting on November 20, 2019, it is agreed that the revenues from the ¼-cent parks and stormwater sales tax, the 3/8 cent capital improvements sales tax, and the ½-cent public safety sales tax are being collected above the projected level for the 2019 fiscal year.

The projects under Phase I of the Parks/Stormwater Sales Tax have been completed as promised. The projects under Phase II of the Parks/Stormwater Sales Tax are in progress as set forth to the voters.

The projects under Phase I of the Capital Improvements Sales Tax are all complete as promised, except one which is the Traffic Signal Upgrades. This project is expected to be completed during the 2020 fiscal year. The projects under Phase II of the Capital Improvements Sales Tax are in progress as set forth to the voters.

For the public safety sales tax, all capital items have been completed as promised except for the remaining East side fire station. All operational items have been completed except the staffing for the remaining East side fire station and the remaining street lights.

Chairman Jackson stated there was a consensus of the committee to use money freed up in the general fund from the half cent sales tax toward public safety raises and staffing of the East side Fire Station. He stated it is the committee’s understanding there are already funds for the fire station, and they would like to move forward with the bid process for design and construction of it.
Chairman Jackson stated the committee also discussed if it should oversee the recently approved half cent sales tax for the police and fire pension and asked the city council to consider whether the committee should oversee the pension sales tax. He stated the committee feels it is their duty to oversee sales tax revenue that voters put into place and report on a semi-annual basis how the use and flow are going, watch where the funded level is supposed to meet as it was designated, and that it ends at the appropriate time.

Mr. Stinnett asked for further discussion on this and Mayor Shaw stated there will be more discussion in the future.

CITIZEN REQUESTS AND PETITIONS
Shelly Kraft, 2701 Bird Ave, had requested to address the city council regarding Vision Joplin 2022, however she was unable to attend the meeting. Mayor Shaw read a statement from Ms. Kraft that announced that she is resigning as Chairperson of Vision Joplin 2022, and that Clifford Wert will replace her as Chair. She thanked the city council, and everyone involved for their support.

News from the Public Information Officer, Lynn Onstot

The City of Joplin has three collection points for discarded, natural (live) Christmas trees starting December 26 and running through January 31. Trees, bare of any decorations can be placed near the “Christmas Tree” drop-off sign posted at one of these locations:

- Humphrey Park parking lot in the Royal Heights area
- McIndoe Park at Glendale Road and Jackson Avenue – place trees in southwest corner of parking lot; and
- Public Works Center at 1301 West 2nd Street

If discarding an artificial tree, the Joplin Recycling Center accepts these with or without lights throughout the year. The Recycling Center also accepts many discarded holiday items including, gift wrapping paper boxes, bottles, cans, greeting cards, cooking oil, and clean packing materials such as peanuts and bubble wrap.

City offices will be closed on Wednesday, December 25 and Wednesday, January 1 for the Christmas and New Year’s holiday. This also includes MAPS, the Sunshine Lamp Trolley and the Recycling Center. During these two holiday weeks, residential trash service moves one day forward. Wednesday customers will have service on Thursday and so on continuing through Saturday for Friday customers. This shift will occur for both the week of Christmas and the week of New Year’s Day. (Monday and Tuesday pickups do NOT change.)

City announcements can be found on the City’s website and Facebook page.

On behalf of all of the City staff, we’d like to wish all of our citizens Merry Christmas, Happy Holidays and a Joy-filled and Healthy new year! Thank you.

There being no further business, the meeting adjourned at 6:28 p.m.

Respectfully,

Barbara J. Gollhofer, City Clerk
