STAFF ANALYSIS:

Yes.

DISCUSSION:

The final plat approval is for Hal’s Subdivision, a replat of lots 1-3 of Schoolview Estates Third Addition. This subdivision will be 8 lots, zoned R-1 Single-family Residential. The Final Plat does require City Council approval. This plat meets the requirements of the subdivision regulations.

Joel Standeford is seeking an 8-lot subdivision for new single-family development located at the Northwest corner of W 26th St. and S. Roosevelt Ave. Lots 7 and 8 will have a shared access easement to ensure adequate room for access off of McKinley Ave. The applicant has also opted for a stormwater buyout in order to meet the stormwater requirements of the proposed increase in impervious surface.

Staff recommends approval of Case 046-19.
