STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map shows this property is in an area designated as a residential/commercial opportunity area.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of R-1 is somewhat consistent with nearby parcels, however, the majority of nearby uses are of a medical, office, and multifamily variety as opposed to single-family residential.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to C-3 will not be detrimental to the nearby property. Much of the area along Wildwood Ranch Parkway and John Duffy Drive north of 32nd Street is more appropriate for uses not permitted in R-1.

DISCUSSION

The applicant recently annexed into the city, and with that came a default zone designation of R-1. Given that the use is more appropriate for the C-3 zoning district, as well as the nearby recent developments of office and medical uses, this area along W Wildwood Parkway and John Duffy Blvd. is developing into commercial uses rather than residential. While residential uses will still be numerous in the Wildwood Ranch area, buffer requirements between C-3 districts and residential zoning districts will be able to address conflicts between the district types.

Staff recommends approval of Case 005-20.
