SUMMARY REQUEST:
Case 006-20: 2307 Connecticut Ave. – A request to remove from District R-1 (Single-family Residential) and include in District C-O (Commercial Office) for the purpose of future commercial development. – Charles & Connie Brewer.

BACKGROUND:
The applicant recently applied for a rezoning on this property a few months ago but withdrew their application and had their case stricken. The applicant is now reapplying and including all of their property on Connecticut.

This part of Connecticut Ave. in particular is in transition to more office and medical service type uses. Rezoning to C-O would be compatible with nearby properties

PLANNING & ZONING COMMISSION TESTIMONY:
Andrew Bright, 602 Fountain Rd, Webb City, MO. He is representing Charles & Connie Brewer. The property is in the process of being sold. Mr. & Mrs. Brewer are selling all lots together.

Mr. Ramsour stated he drove by and on the Connecticut side there are two driveways that go up to two houses that combine and are shared. How will the residents get to their house?

Mr. Bright stated the future owners would be able to answer that but from his understanding the driveways will be rerouted to one side of the property in order to make the frontage parcels larger.

Mr. Eastman asked if they were planning on tearing down the homes?

Mr. Bright stated not to his knowledge.

Mrs. Koelkebeck wanted to know if the individual lots were going to sell as a block?

PUBLIC COMMENT:

Mr. Bright stated not to his knowledge.

Mrs. Koelkebeck wanted to know if the individual lots were going to sell as a block?

Mr. Ramsour asked if there anyone in favor of this request?

Mr. Dave Coleman and this is my son Jeff Coleman. Dave Coleman, 1030 SE Murphy Blvd, Joplin, MO. Jeff Colman is 727 E 12th Street, Baxter Springs, KS. STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map shows this property is in an area designated as a commercial opportunity area. Development here will need to conform to the Connecticut Ave. corridor requirements.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of R-1 is somewhat consistent with nearby parcels, however, many of nearby uses are of a medical or office variety as opposed to single-family residential, particularly those with frontage along Connecticut Ave.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to C-O should not be detrimental to the nearby property. Much of the area along Connecticut is transitioning to office and medical uses. These uses often do not generate large amounts of traffic throughout the day nor do they often emit or employ nuisances on the property.

DISCUSSION

The applicant recently applied for a rezoning on this property a few months ago but withdrew their application and had their case stricken. The applicant is now reapplying and including all of their property on Connecticut for the rezoning.

This part of Connecticut Ave. in particular is in transition to more office and medical service type uses. Rezoning to C-O would be compatible with nearby properties along the corridor and comply with the Future Land Use Map. In addition, as Connecticut is an arterial, the C-O district is appropriate for a street of this classification

Staff recommends approval of Case 006-20.
