SUMMARY REQUEST:
Case 011-20: 266 County Road 190 – A request to remove from District R-1 (Single-family Residential) and include in District M-2 (Heavy Industrial) for the purpose of truck leasing, rental, and repair. – Blue Real Estate II.

BACKGROUND:
To ensure the applicant has compatible zoning coming out of their annexation, the applicant is applying to rezone to M-2 Heavy Industrial. As is routine, the newly annexed property is defaulted to R-1 which is not appropriate in the Joplin Industrial Park. Given that the use, truck leasing, is more appropriate for the M-2 zoning district, as well as the nearby properties also zoned M-2.

STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map shows this property is in an area designated as future industrial. It is also within the Joplin Industrial Park.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of R-1, the default zoning of newly annexed property, is not at all consistent with nearby parcels. The parcel would not be suitable in this area, within and industrial park, zoned R-1.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to M-2 will not be detrimental to the nearby property. All of the area within the industrial park is already M-2, and this zoning is compatible with neighboring zones and uses.

DISCUSSION

To ensure the applicant has compatible zoning coming out of their annexation, the applicant is applying to rezone to M-2 Heavy Industrial. As is routine, the newly annexed property is defaulted to R-1 which is not appropriate in the Joplin Industrial Park. Given that the use, truck leasing, is more appropriate for the M-2 zoning district, as well as the nearby properties also zoned M-2, staff considers this request to be appropriate for this area.

Staff recommends approval of Case 011-20.
