MEETING DATE:

REVIEWED BY:
Director of Planning, Development & Neighborhood Services-Troy Bolander, Director of Finance-Leslie Haase, City Attorney- Peter Edwards, City Manager- Nicholas Edwards.

SUMMARY REQUEST:
Case 012-20: 1502 Rangeline Road - A request to remove from District C-1-PD (Neighborhood Commercial Planned Development) and include in District C-3 (Commercial) for the purpose of commercial development – Jimmer Pinjuv

BACKGROUND:
The change in zoning to C-3 will not be detrimental to most of the nearby property. The properties that front Rangeline will not be affected, as those zones are identical or already allow uses that C-3 allows.

The applicant is requesting the rezoning in order to allow for uses permitted in the C-3 District to operate on this property. Due to the property’s location at the corner of Rangeline, an arterial street, and 15th St., a collector street, the C-3 District would not be inappropriate at this location. As with many other commercial corridors in town with residential behind, the buffer requirements in the zoning code would provide a transition from the commercial use to the residential.

PLANNING & ZONING COMMISSION TESTIMONY:
Mr. Eastman and Mr. Dermott had to abstain themselves from Case 012-20.

Gil Stephens, 23 Pheasant Run, Joplin, MO, represent Mr. Pinjuv and the owner of the property. They have a real estate contract to purchase the property subject to zoning of C-3. Around perimeter of the property exception of the property to the west is all C-3. There will be a use for the property if it is zoned C-3.

Mr. Ramsour asked what the intention with the building that is there?

Mr. Stephens stated that it will be used. The building will not be demolished.

PUBLIC COMMENT:

FUNDING SOURCE:
These payments are included in the FY 2019-20 budget of the Community Planning Fund.

STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map shows this property is in an area designated as future retail commercial. The Multi-use Retail Development Standards for the South Rangeline Rd. corridor specify the design and development standards for future development.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of C-1-PD does allow uses that would be appropriate in this location.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to C-3 will not be detrimental to most of the nearby property. The properties that front Rangeline will not be affected, as those zones are identical or already allow uses that C-3 allows. There would be a conflict with the neighboring residential use, however, the buffer requirements in the zoning code would require future development to provide for a buffer between the commercial use and the residential.

DISCUSSION

The applicant is requesting the rezoning in order to allow for uses permitted in the C-3 District to operate on this property. Due to the property’s location at the corner of Rangeline, an arterial street, and 15th St., a collector street, the C-3 District would not be inappropriate at this location. As with many other commercial corridors in town with residential behind, the buffer requirements in the zoning code would provide a transition from the commercial use to the residential.
