REVIEWED BY:  
Director of Planning, Development & Neighborhood Services-Troy Bolander, Director of Finance-Le Leslie Haase, City Attorney- Peter Edwards, City Manager- Nicholas Edwards.

SUMMARY REQUEST:  
Case 016-20:  5526 W 32nd St. – A request to remove from District C-O (Non-Retail Commercial) and include in District C-1 (Neighborhood Commercial) for the purpose of future commercial development. – Stanley Weaver

BACKGROUND:  
The current zoning of C-O is suitable in this area. 32nd St. is the gateway to the Wildwood Ranch area and will likely become a high-traffic street as the area develops. The change in zoning to C-1 will not be detrimental to the nearby property as uses in the C-1 district are limited in intensity and scale and typically are uses to serve the nearby residential population.

PLANNING & ZONING COMMISSION TESTIMONY:  
Stanley Weaver, 8063 SE Strawberry Lane, Galena, KS. He owns the property at 5526 W. 32nd Street, where there is currently an architectural office. He is requesting a change from C-O to C-1, Neighborhood Commercial. Since the adjacent properties to the east and to the west have not developed as they had been planned. He is asking for his property to be rezoned to be more marketable in the future.

PUBLIC COMMENT:  
Marilyn Worden, 5527 W 33rd St., Joplin, MO. She is not in opposition of what he brought forth as the food services, but I was told that apartments were going to be there. Is it going to be apartments or more commercial?

Mr. Stanton stated that multi-family uses are permitted in C-1 District. They are limited to the 2,500 square feet per unit. If he wanted to build units, he would be limited.

Ms. Worden stated that if they are two story, then she would be opposed to the request. Her property abuts and with a two-story building the top floor would be able to see into her back yard

FUNDING SOURCE:  
These payments are included in the FY 2019-20 budget of the Community Planning Fund.

RECOMMENDATIONS:  
Planning & Zoning Commission recommends Approval for Case 016-20, 7 in favor, 0 Nays.  
Staff recommends approval of Case 016-20

He does not have any desires to change anything at this time, but he has spoken to the Health Department and other food services for recommendations and requirements.

STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map shows this property is in an area designated as future commercial development. It is also compatible with the proposed land uses in the Wildwood Ranch Land Use Plan.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of C-O is suitable in this area. 32nd St. is the gateway to the Wildwood Ranch area, so it is intended to become a high-traffic street as the area develops. Commercial property along a high-trafficked street is appropriate.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to C-1 will not be detrimental to the nearby property. The C-1 zoning district allows uses that are to service the neighborhood level. Places that have smaller building footprints, generate low traffic, and are overall less intense are permitted in C-1.

DISCUSSION

This request is compatible with the Comprehensive Plan, the Future Land Use Map, and the land use map for Wildwood. C-1 zoning maintains a less intense commercial district that can service the nearby neighborhoods now, and future development as well.

Staff recommends approval of Case 016-20.
