DISCUSSION

Ledford Construction & Development is requesting to voluntarily annex one tract of approximately 5.7 acres of vacant land. The property is located within the Wildwood Ranch Development area, just west of the end of 32nd Street and end of Wildwood Ranch Pkwy. This first phase of the Eagles Edge Subdivision will contain 20 lots for single-family residential. Upon annexation, the zoning will default to R-1 Single-family residential, and no rezoning was required or requested by the applicant.

This property shares a contiguous border with the city; no unincorporated areas separate this property from the City. This tract is already near city sewer and not within the 100-year floodplain. It is consistent with our future land use map, which indicates this area as future low-density residential.

City sewer, stormwater facilities, and street infrastructure will be completed by the developer. Additional private utilities will be extended as well. Easements will be dedicated to ensure future access to utilities.

Staff recommends approval of Case 024-20.
