STAFF ANALYSIS

CONSISTENT WITH DEVELOPMENT POLICIES OF THE COMPREHENSIVE PLAN?

The request is consistent with the comprehensive plan. The future land use map does show this property to be future industrial. Most of the 7th Street corridor East of Main St. is shown to be retail commercial except for a portion near the downtown area that still maintains industrial zoning. This property is right on the transition from commercial to industrial and it would not be inconsistent to rezone this portion commercial. This is a remnant from when much of the downtown area, particularly on the east side, was the manufacturing and industrial base. That area still has many industrial uses, but not at the scale seen on the edges of town.

THE SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED

The current zoning of M-2 is suitable in this area along 7th St. However, considering 7th Street’s transition to more commercial uses along the corridor, the change to C-3 would be consistent with the development pattern of the corridor taken holistically.

The current zoning of R-2 on the north portion of the property is suitable along Club Ave. Although, other neighboring properties along the northern side of 7th St. do have commercial or industrial zoning that extend as far North as the proposed zoning change.

THE EXTENT THAT THE ZONING CHANGE WILL DETRIMENTALLY AFFECT NEARBY PROPERTY

The change in zoning to C-3 will not be detrimental to the nearby property. Along 7th St., most of the existing zoning is compatible with C-3, or even more intense. In addition, the existing uses along 7th St. are either compatible or more intense. North of 7th St. and along Club, nearby properties have existing zoning and usage that extend as far North as the proposed rezoning. In addition, buffering requirements from the Zoning Code will be required where the C-3 zoning district directly abut residential.

DISCUSSION

This request is compatible with the Comprehensive Plan, the Future Land Use Map, and the zoning requested is appropriate for the neighborhood. C-3 zoning is appropriate given its location along an arterial corridor and the mix of existing uses in the area.

Club St. for future auto and vehicle sales — Dennis & Joyce Dilts

Dennis Dilts, 600 Heritage Acres Drive, Joplin, MO. He is here to request rezoning due to the fact that the building he was currently in had a fire on June 5, 2020, and found out this last week that the building is totaled. He would like to expand the parking lot and move it back for more parking spaces. That is the basis of the rezoning.

Mr. Ramsour asked if there were any questions from the Commissioners?

Mr. Kimble wanted to know about the house on 610 Club and was he the owner?

Mr. Dilts stated he was the owner and it is a rental house and occupied. At the very beginning they were going to use the lot between the alley easement and try to build the building there and then use the house for later expansion.

Mr. Ramsour wanted to know what the situation of the alley between there.

Mr. Dilts stated that there is an alley easement that is between the actual building and the lot and it was vacated in 1949.

Mr. Kimble wanted to know in the future pushing the lot back further closer to 610 Club eventually having cars.

Mr. Dilts stated that they would use that eventually for a bull pen, again there is income on the rental house, so, he doesn’t want to eliminate that.

Mr. Ledford wanted to know from Mr. Stanton if single family homes were allowed on C-3 properties?

Mr. Stanton stated it would be permitted to go through but the house as a use there would be non-conforming use. If there was any destruction to that house it would not be allowed to be rebuilt unless it was rezoned to an R-1 or R-2.

Mr. Ramsour asked if anyone in the audience would like to speak in favor of this case or in opposition to the case: There were not.

MR. EASTMAN MOVED, SECONDED BY MR. LEDFORD, CASE 030-20 BE FORWARDED TO THE CITY COUNCIL WITH RECOMMENDATION FOR APPROVAL. MOTION CARRIED, WITH MR. RAMSOUR, MRS. STEELE, MS. BRUCKNER-SEARS, MR. EASTMAN, MR. MCCULLOUGH, MR. KIMBLE AND MR. LEDFORD VOTING “AYE”. (7 IN FAVOR, 0 NAYS).
