Active Transportation Assessment Bid Tabulation

Summary: The City of Joplin received four responses to the Request for Proposals for the Active Transportation Assessment. A selection committee was formed with representatives from appropriate departments to score the proposals and conduct interviews of the top two scoring firms. These departments included Planning, Public Works, Health, Parks and Recreation, and the Convention and Visitors Bureau. The committee's representative from the Health Department was unable to attend one of the interviews, so their scores were omitted from the interview tabulation. Scores were calculated using the average score from the response to the RFP plus the average score from the interview. See attached tables and example scoring sheets.

Response to RFP				
Department	Olsson	Transystems	McClure	Horner Shifrin
Planning	99	97	89	98
Public Works	95	91	79	83
Health	95	97	87	91
Parks	98	86	59	75
JATSO	100	95	75	98
CVB	86	96	74	85
Average	95.5	93.7	77.2	88.3

Interview		
Department	Olsson	Transystems
Planning	20	18
Public Works	16	13
Parks	19	18
JATSO	20	17
CVB	19	18
Average	18.8	16.8
Total Points	114.3	110.5
