REVIEWED BY

Director of Public Works – David Hertzberg, Director of Finance – Leslie Haase, City Attorney – Peter C. Edwards, City Manager – Nicholas Edwards

SUMMARY

This Council Bill approves an agreement between the City of Joplin and Allied Services LLC. (Aka Republic) on an Emergency Basis.

BACKGROUND

On April 1, 2016, the City started the current residential trash franchise. This was a five (5) year contract that provided the citizens of Joplin with a low and steady price for the first two years, and no more than a 2% increase on these services through years three (3) through five (5). The current contract with Allied Services agreement (Ordinance 2016-103) will expire on March 31, 2021. The current price of trash service is \$12.41 which includes the \$.55 administrative charge and optional \$4.95 for recycling. This agreement will include a 2% increase so trash will be \$12.65 and \$5.05 for Recycling.

This agreement extends the current contract for an additional year and will expire on April 1, 2022

The City of Joplin shall be responsible for the billing and collection charges for the solid waste collection and disposal services through the monthly residential utility bill. The current billing and administrative fee of \$.55 will be included on the utility bill and will be retained by the city to offset the cost to the city for administering the residential trash service.

FUNDING SOURCE

Solid Waste

RECOMMENDATION

Staff recommends adoption of this Council Bill on an Emergency basis; being an ordinance relating to a public improvement is an emergency within the meaning of Section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri and the Council hereby declares that this ordinance shall be in full force and effect from and after its passage.
