News from Public Information Officer Lynn Onstot

The City of Joplin will participate in the statewide tornado drill at 10 AM tomorrow, Tuesday March 2, as part of the annual Severe Weather Awareness Week. Joplin's outdoor warning sirens will sound for a full three minutes, just as they would in an emergency. Residents are encouraged to use this drill as an opportunity to plan and prepare for a real situation. This is a good time to discuss sheltering plans with your family and co-workers and to check that you have a working battery-operated radio and flashlights, along with other necessary supplies in your designated "safe place."

Joplin's sirens are intended to notify those who outdoors to take shelter indoors. We encourage citizens to use a NOAA weather radio for storm alerts and/or to sign up on their phones for weather alerts with local news stations. Media stations also broadcast weather alerts, so stay tuned to local stations when your area is under a weather watch.

Tuesday, March 23 is Joplin's 148th birthday. Dr. Chad Stebbins, a communications professor at Missouri Southern and a local history buff will be delivering a presentation from his new books about the Connor Hotel and the man who made it possible, Tom Connor. This event runs from 6:30 to 8 p.m. March 23 in the Council Chambers. The public is welcome to attend. Copies of the book will be available for purchase. This event is hosted by the Joplin Celebrations committee, a group working to create awareness and events in honor of Missouri's Bicentennial celebrated this year; Joplin's Sesquicentennial in 2023; United States' Sestercentennial in 2026 and Route 66 Centennial in 2026. Councilwoman Dr. Reid Adams sits on that committee, so we appreciate her and the committee's work in planning this event and other upcoming activities for our community. (Connor Hotel book = \$21.99; Tom Connor book = \$10.00. Both books can be purchased directly from Dr. Stebbins for \$25. More details about these events can be found on the City's website, joplinmo.org.
