SUMMARY

This Council Bill approves an ordinance declaring a public necessity for the acquisition of real property and easements from RBC Holding Company, LLC., by condemnation proceedings for the 32nd Street Widening Sewer Extension Project.

BACKGROUND

In August 2014 the voters passed the Renewal of the Capital Improvement Sales Tax Program for an additional 10 years. One of the projects was the widening of 32nd Street from Schifferdecker Avenue to Central City Road. Currently the City has been unable to reach an agreement with RBC Holdings, LLC., for the purchase of 9,597 square feet of sewer easement for the improvement project. The property owner was offered \$1,050 the fair market value as determined by professional appraisal.
