SUMMARY

This Council Bill approves an ordinance declaring a public necessity for the acquisition of real property and easements from Abou-Magd & Theodora Zaki, by condemnation proceedings for the 32nd Street Widening Project.

BACKGROUND

In August 2014 the voters passed the Renewal of the Capital Improvement Sales Tax Program for an additional 10 years. One of the projects was the widening of 32nd Street from Schifferdecker Avenue to Central City Road. Currently the City has been unable to reach an agreement with Abou-Magd & Theodora Zaki for the purchase of 3,297 square feet of right-of-way and 827 square feet of construction easement. The property owner was offered \$4,763, the fair market value as determined by professional appraisal.

RECOMMENDATION

Staff recommends approval of Council Bill 2021- 130 Acquisition by Condemnation Proceedings for the 32nd Street widening project be approved on an emergency basis, in that said ordinance provides for public improvements and is considered to be an emergency per section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri, and as such, this ordinance shall become effective immediately upon its passage. Furthermore, approval of this council bill will allow right of way acquisition to be finalized, allowing construction to begin as scheduled, avoiding any unnecessary delays to the construction schedule, and is therefore an emergency.
