

April 16, 2021

Mr. Lynden Lawson  
Assistant Director of Public Works for Operations  
City of Joplin  
602 S. Main Street  
Joplin, MO 64801

Re: Joplin, Missouri - Turkey Creek WWTF North Sludge Thickener Rehabilitation

Dear Mr. Lawson:

Please find enclosed herein:

- A copy of the tabulation of bids and bid sign in sheet.
- Copies of the contract documents.
- A copy of the bid documents from G&G Construction Company.

The bids submitted April 15<sup>th</sup>, 2021 on the above referenced project have been reviewed and we have confirmed that G&G Construction Co. Inc. of Carthage, Missouri is the apparent low bidder. G&G Construction Co. has indicated that they intend to contract with the City to construct the project. G&G Construction Co. is not presently debarred or suspended, they appear capable of obtaining all necessary bonds and insurance, and they have performed similar work in the past.

It is our recommendation that the City award the construction contract to G&G Construction Co. in the amount of \$239,000.00 for the wastewater treatment facility rehabilitation project. This includes \$27,700.00 for add alternate one which will repair and repaint the tank interior. If the City concurs with this recommendation, please fully execute and return three (3) copies of the contract documents to our office.

Please contact me if you have any questions.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.

Jared Nichols, P.E.
