Keegan Stanton  
Joplin City Hall Zoning and Planning

Dear Mr. Stanton and City Council members,

The intended purpose of our home at 2308 Patterson Ave. is to provide a discreet, quality short or medium term home rental to visitors and residents of Joplin. Our target demographic will be visiting medical professionals and as a temporary fully-furnished residence when local families are between homes.

The property itself has been used as a long-term rental for nearly 20 years, according to the previous owner. Our intention is to provide exterior superficial upgrades (paint, wood cladding, and landscaping to improve curb appeal) and to furnish the interior with original art and locally crafted furniture along with midcentury modern and other quality high-end furnishings. It will be marketed as a homestay for families and parties will be prohibited.

Parking is ample in the driveway for at least two vehicles and at most two more along the curb of the property. We anticipate this would rarely reach even that number of vehicles. Housekeeping, yard care and maintenance will all be provided. There is very minimal outdoor entertaining space: just an outdoor grill and seating for two or three.

We are excited to offer a quality, upscale residential hospitality experience for the community we live in and love.

Sincerely yours,

\[Signature\]

SPECIAL USES

SPECIAL USE PROCEDURE
Certain uses or exceptions are permitted in some zoning districts, only when a special use permit has been obtained from the City Council. Such uses require special study with respect to specific location and design considerations to assure that they will have minimal negative impact on surrounding properties.

The applicant shall first meet with the Planning/Community Development Specialist to receive a full explanation of the zoning and special use requirements and an application form.

The applicant shall submit a completed application form to the Office of the Planning Division and pay the appropriate fee. The application shall include a plan showing existing and proposed structures on the property in question, adjacent property, parking spaces, driveways, and other information as required by the adopted zoning regulations. An application shall not be processed unless it has been fully completed, the fee paid, and all required information submitted.

The Planning/Community Development Specialist shall then schedule consideration of the application at the next regular meeting of the Planning and Zoning Commission. The Office of the Municipal Planner shall be responsible for having an official notice of the public hearing published in a newspaper of general circulation at least 15 days prior to the hearing, and follow the adopted procedures for considering a special use permit as prescribed in the zoning regulations.

The Planning and Zoning Commission shall hold a public hearing at which time citizens and parties of interest shall have an opportunity to be heard. The public hearing may be adjourned from time to time and, upon its conclusion, the Planning and Zoning Commission shall prepare and adopt its recommendation to the City Council. This recommendation shall be submitted along with an accurate record of the public hearing.
