This term does not include a tax-exempt bond, except for “specified private activity bonds” as defined in Code § 57(a)(5)(C), but it does include the investment element of most interest rate caps.

“Issue Date” means the date of issuance of the Bonds.

“Measurement Period” means, with respect to each item of property financed as part of the Financed Facility, the period beginning on the later of (a) the Issue Date or (b) the date the property is placed in service and ending on the earlier of (i) the final maturity date of the Bonds or (ii) the expected economic useful life of the property.

“Non-Qualified User” means a person other than a Qualified User.

“Opinion of Bond Counsel” means the written opinion of a firm of nationally recognized Bond Counsel acceptable to the Authority to the effect that the proposed action or the failure to act will not adversely affect the exclusion of the interest on the Bonds from gross income for federal income tax purposes.

“Participant Bond Compliance Officer” means the Participant’s City Clerk or any successor to the duties of such official.

“Post-Issuance Tax Requirements” means those requirements related to the use of proceeds of the Bonds, the use of the Financed Facility and the investment of gross proceeds of the Bonds after the Issue Date.

“Qualified User” means a State, territory, a possession of the United States of America, the District of Columbia, or any political subdivision thereof or any instrumentality of such unit. The term “Qualified User” does not include the United States of America or any agency or instrumentality thereof.

“Tax Compliance Procedure” means the Authority’s State Revolving Funds Programs Tax Compliance Procedure dated as of July 25, 2013, attached as Exhibit D, as amended and supplemented from time to time.

Section 5.2 General. The Participant acknowledges that the investment and expenditure of proceeds of the Bonds are primarily within its control and that substantially all of the net proceeds of the Bonds will be used to finance property that is owned and controlled by the Participant. For these reasons, the Participant acknowledges and agrees that, in order to induce DNR to provide favorable financing through the Direct Loan Program by the purchase of the Bonds and the Authority to issue its Master Trust Bonds from time to time, the Participant makes the representations and covenants related to the Post-Issuance Tax Requirements as set forth in this Article V for the benefit of DNR and the Authority.

Section 5.3 Authority and Purpose for Bonds. The Bonds are being issued for the purpose of providing funds to refund the Refunded Bonds. In connection with the application of net proceeds of the Bonds, the Participant represents as follows:
The Refunded Bonds are being redeemed on June 28, 2021, in accordance with the ordinances approving the Refunded Bonds, the Refunded Bonds and the Ordinance.

As of the Issue Date, there are no unspent proceeds of the Refunded Bonds. Therefore, there are no transferred proceeds of the Bonds.

The purpose of the refunding is to accomplish one or more of the following: (A) to reduce the debt service requirements of the Participant, or (B) to provide an orderly plan of financing for the Participant.

Section 5.4 Proceeds of Bonds. The total maximum proceeds to be received by the Participant from the sale of the Bonds will be $24,121,328.53 paid to the Paying Agent on the Closing Date in accordance with the Escrow Agreement.

Section 5.5 Governmental Bond Tests and Related Requirements.

(a) General. The Participant will not use any portion of the Bond proceeds, including any Investment earnings on Bond proceeds, directly or indirectly, nor permit the use of any portion of the Financed Facility, in a manner that would cause any Bond to be a “private activity bond” as defined in Code § 141.

(b) Use of Financed Facility. The Bond proceeds will be used to refinance the Financed Facility. Throughout the Measurement Period, all property comprising the Financed Facility will be owned by the Participant. Not more than 10% of the proceeds of the Bonds will be used in a manner that constitutes a “private business use” during the Measurement Period. In making the foregoing representations the Participant acknowledges that (i) use of the property comprising the Financed Facility is determined annually throughout the Measurement Period; (ii) the use of the Financed Facility is treated as the direct use of proceeds of the Bonds and the Refunded Bonds; (iii) the term “private business use” generally means ownership or lease by, or other use in the trade or business of, a Non-Qualified User; (iv) any activity carried on by a Non-Qualified User other than a natural person is treated as a trade or business; (v) the Financed Facility is treated as being used for a private business use if it is leased to a Non-Qualified User and subleased to a Qualified User, or leased to a Qualified User and then subleased to a Non-Qualified User, if the Non-Qualified User’s use is in a trade or business; and (vi) in most cases, use of the Financed Facility constitutes private business use only if a Non-Qualified User has special legal entitlements to use the Financed Facility under an arrangement with the Participant.

(c) Private Security or Payment. The payment of principal and interest on the Bonds and the payment of principal and interest on the Refunded Bonds will not be (under the terms of the Bonds, the Refunded Bonds or any underlying arrangement) directly or indirectly:

(1) secured by (i) any interest in property used or to be used for a private business use, or (ii) any interest in payments in respect of such property; or

(2) derived from payments (whether or not such payments are made to the Participant in respect of property or borrowed money) used or to be used for a private business use.

For purposes of the foregoing, taxes of general application are not treated as a private payment or as private security so long as no taxpayer enters into any “impermissible agreement” with respect to the collection or payment of the tax as described in Treasury Regulations § 1.141-4(e)(4)(ii). The Participant will use Net Revenues derived from the operation of the Financed Facility to pay the debt service on the Bonds. All
revenues will be derived from rates that are generally applicable and uniformly applied, and which do not convey priority rights or other preferential benefits for use of the Financed Facility.

(d) **No Private Loan.** No proceeds of the Bonds or the Refunded Bonds will be loaned directly or indirectly to any Non-Qualified User. Special assessments may be used as a source of repayment of the Bonds so long as the assessments meet the criteria set out in Treasury Regulations § 1.141-5(d).

(e) **No Federal Guarantees.** The Participant will not take any action or permit any action to be taken that would cause the Bonds to be “federally guaranteed” within the meaning of Code § 149(b).

(f) **Management Contracts.** The Participant has not entered into any “Management Contract” (as defined below) with any Non-Qualified User with respect to the Financed Facility and will not enter into or renew any Management Contract with respect to the Financed Facility with any Non-Qualified User without first obtaining an Opinion of Bond Counsel, addressed to the Participant and the Owner, that the Management Contract will not adversely affect the exclusion of the interest on the applicable Master Trust Bonds from gross income for federal income tax purposes. The term “Management Contract” is defined in Treasury Regulations § 1.141-3(b) as a management, service, or incentive payment contract with an entity that provides services involving all or a portion of any function of the Financed Facility, such as a contract to manage the Financed Facility or any portion thereof. Contracts for services that are solely incidental to the primary governmental function of the Financed Facility (for example, contracts for janitorial, office equipment repair, billing, or similar services) are not treated as management contracts.

(g) **Leases.** The Participant has not entered into any lease with a Non-Qualified User and will not enter into or renew a lease of all or any portion of the Financed Facility with any Non-Qualified User, without first obtaining an Opinion of Bond Counsel, addressed to the Participant and the Owner, that such lease will not adversely affect the exclusion of the interest on the applicable Master Trust Bonds from gross income for federal income tax purposes. Use of portions of the Financed Facility by members of the general public on a short-term basis in the ordinary course of the Participant’s operation of the Financed Facility is disregarded.

Section 5.6 **Sinking Funds.** The Participant is required under the Ordinance to make periodic payments in amounts sufficient to pay the principal of and interest on the Bonds. The Participant will deposit these payments with the Paying Agent into the Principal Account and the Interest Account of the Repayment Fund held by the Paying Agent. Except for the Principal Account and the Interest Account and the Debt Service Fund, the Participant has not established, and does not expect to establish, any sinking fund or other similar fund expected to be used directly or indirectly to pay principal of or interest on the Bonds. The Repayment Fund and the Debt Service Fund are used primarily to achieve a proper matching of revenues with principal and interest payments on the Bonds within each Bond Year and the Participant expects that the Repayment Fund and the Debt Service Fund will each qualify as a “bona fide debt service fund,” as that term is defined in the Treasury Regulations.

Section 5.7 **No Replacement Funds.** None of the Bond proceeds will be used as a substitute for other funds that were intended or earmarked to pay costs of the Financed Facility, and that have been or will be used to acquire higher yielding Investments. Except for the Principal Account and the Interest Account of the Repayment Fund and the Debt Service Fund, there are no other funds pledged or committed in a manner that provides a reasonable assurance that such funds would be available for payment of the principal of or interest on the Bonds if the Participant encounters financial difficulty.

Section 5.8 **Reimbursement of Expenditures.** On May 4, 2009, the Participant’s Governing Body passed an ordinance declaring the intent of the Participant to borrow to finance costs of the Financed Facility for the Participant, and to reimburse the Participant for expenditures made for the Financed Facility
prior to the issuance of obligations evidencing the borrowing (the “Reimbursement Action”). A copy of the Reimbursement Action is contained in the bond transcripts for the Refunded Bonds. No portion of the net proceeds of the Refunded Bonds was used to reimburse an expenditure paid by the Participant more than 60 days prior to the date the Reimbursement Action was passed.

Section 5.9 Final Written Allocation. The Participant agrees that all requisitions and supporting invoices provided to DNR pursuant to the Prior Loan documents in connection with the Prior Project will constitute the Participant’s Final Written Allocation of the application of proceeds of the Refunded Bonds to the Financed Facility. The Participant may, with at least 60 days’ prior written notice to, and the written consent of DNR, deliver a revised Final Written Allocation to DNR if the revised Final Written Allocation is accompanied by an Opinion of Bond Counsel.

Section 5.10 Hedge Bonds. At least 85% of the net sale proceeds of the Refunded Bonds were used to carry out the governmental purpose of the Refunded Bonds within three years after the issue date of the Refunded Bonds.

Section 5.11 Post-Issuance Compliance with Federal Tax Matters. The Participant shall complete the Annual Compliance Checklist and deliver the Annual Compliance Checklist to the Authority Bond Compliance Officer in accordance with the Tax Compliance Procedure. To the extent within its power and control, the Participant will take all action requested in writing by the Authority Bond Compliance Officer that is necessary to cause the interest on the Master Trust Bonds to remain excludable from gross income for federal income tax purposes.

Section 5.12 Records.

(a) The Participant recognizes that (i) investors purchase the Master Trust Bonds with the expectation that interest on the Master Trust Bonds is and will remain excludable from gross income for federal income tax purposes, (ii) the tax-exempt status of interest on the Master Trust Bonds depends in part on the accuracy of the Participant’s representations and the satisfaction of the Participant’s agreements contained in this Article, many of which relate to matters that will occur after the Issue Date, and (iii) as part of its ongoing tax-exempt bond audit program the Internal Revenue Service requires that records be created and maintained with respect to the following matters:

(1) documentation evidencing the expenditure of the Bonds and the Refunded Bonds in sufficient detail to determine the date of the expenditure, the asset acquired or the purpose of the expenditure;

(2) documentation evidencing the use of the Financed Facility by public and private persons (for example, copies of management contracts or leases); and

(3) documentation evidencing all sources of payment or security for the Bonds.

(b) The Participant has procedures in place or will establish procedures to create and retain these records. Unless otherwise specifically instructed in a written Opinion of Bond Counsel, the Participant will retain and maintain these records related to the Post-Issuance Tax Requirements until three years following the final maturity of (i) the Bonds or (ii) any obligation issued to refund the Bonds. Any records maintained electronically must comply with Section 4.01 of Revenue Procedure 97-22, which generally provides that an electronic storage system must (1) ensure an accurate and complete transfer of the hardcopy records that indexes, stores, preserves, retrieves and reproduces the electronic records, (2) include reasonable controls to ensure integrity, accuracy and reliability of the electronic storage system and to prevent unauthorized alteration or deterioration of electronic records, (3) exhibit a high degree of
legibility and readability both electronically and in hardcopy, (4) provide support for other books and records of the Participant, and (5) not be subject to any agreement that would limit the ability of the Internal Revenue Service to access and use the electronic storage system on the Participant’s premises.

ARTICLE VI

ASSIGNMENTS

Section 6.1 Assignment by DNR. The Participant acknowledges that DNR may assign the Bonds and its right, title and interest in this Agreement, in whole or in part, including the right to receive Bond Payments from the Participant, to the Authority or a bond trustee under the SRF Leveraged Program, to secure Master Trust Bonds or otherwise.

Section 6.2 Assignment by the Participant.

(a) The Participant may sell, lease, mortgage or otherwise dispose of the Prior Project or any material part with an original value greater than $5,000 if it is replaced by other similar property of at least equal value or, if it ceases to be necessary for the efficient operation of the Prior Project or the System, with the prior written consent of DNR. In the event of sale, lease, mortgage or other disposition of the Prior Project to a municipality, a county, a public sewer district, a public water supply district, a political subdivision of the State, an instrumentality of the State, or a combination of the same, the Participant will apply the proceeds to either (i) the redemption of Bonds in accordance with the provisions governing redemption of the Bonds in advance of maturity, or (ii) replacement of the property sold, leased, mortgaged or disposed of by other property the revenues of which are incorporated into the System. In the event of sale, lease or other disposition of the Prior Project to any other entity, the Participant will provide for the full redemption of the Bonds (regardless of the amount of the disposition proceeds). If the Bonds are required to be redeemed as provided above, the proceeds of the sale, lease, mortgage or other disposition will be deposited into a separate escrow account to be established by the Participant with the Paying Agent pursuant to the defeasance provisions of the Ordinance or as otherwise directed in writing by DNR. The Participant may cease to operate, abandon or otherwise dispose of any property that has become obsolete, unproductive or otherwise unusable to the advantage of the Participant.

(b) The provisions of paragraph (a) will not prohibit, restrain or restrict any sale, lease or other disposition of any portion of the Prior Project that has not been financed with Disbursements, if DNR and the Paying Agent have received an opinion of Bond Counsel, in form and substance satisfactory to them, that, if the portion of the System has been financed by an obligation of the Participant payable out of the Revenues, the obligation is permitted under the provisions of the Ordinance.

ARTICLE VII

EVENTS OF DEFAULTS AND REMEDIES

Section 7.1 Events of Default. Any of the following events will be an “Event of Default” under this Agreement:

(a) failure by the Participant to pay, or cause to be paid, any Bond Payment required to be paid when due;

(b) failure by the Participant to observe and perform any agreement under this Agreement or the Ordinance, other than as referred to in paragraph (a) of this Section, and the continuation of the failure for a period of 30 days after written notice is given pursuant to
Section 7.2. If the failure stated in the notice is correctable but cannot be corrected within the applicable period and corrective action is instituted and diligently pursued by the Participant, DNR may not unreasonably withhold its consent to an extension to the date that is 90 days after the delivery of the original notice;

(c) any representation made by or on behalf of the Participant in this Agreement, the Ordinance, the Participant's due diligence request form provided to DNR or in any instrument furnished in compliance with or with respect to this Agreement, is determined by DNR to be false or misleading in any material respect;

(d) a petition is filed by or against the Participant under any federal or state bankruptcy or insolvency law or other similar law, unless any petition filed against the Participant is dismissed within 30 days after filing and the dismissal is final and not subject to appeal; and

(e) the Participant generally fails to pay its debts as they become due.

Section 7.2 Notice of Default. The Participant will give DNR and the Paying Agent prompt telephonic notice of the occurrence of any Event of Default referred to in Section 7.1(d) or (e) and of the occurrence of any other event or condition that, with the passage of time or the giving of notice, would constitute an Event of Default. Telephonic notice will be immediately followed by written notice of the Event of Default. Notice of default given to the Participant will specify the event or condition, state that the event or condition constitutes an Event of Default if not remedied, and request that the event or condition be remedied. Except as provided in the first sentence of this Section, notice will be given in the manner provided in Section 8.4.

Section 7.3 Remedies on Default. Whenever an Event of Default has occurred and is continuing, DNR will have the right to take whatever action at law or in equity as provided in Sections 901 and 902 of the Ordinance, subject to the provisions of Section 202 of the Ordinance, and as otherwise provided by law, including, to the extent permitted by law, pursuant to Section 644.125 of the Revised Statutes of Missouri, as amended.

Section 7.4 Attorneys’ Fees and Other Expenses.

(a) Upon (i) an Event of Default or (ii) the occurrence and continuance of any event that, with the giving of notice, lapse of time, or both, would constitute an Event of Default, the Participant, on demand, will pay to the Paying Agent and DNR the reasonable fees and expenses of attorneys and other reasonable costs and expenses (including the reasonably allocated costs of in-house counsel and legal staff) incurred by the Paying Agent and DNR in the collection of Bond Payments or the enforcement of any agreements of the Participant.

(b) Prior to incurring any fees, costs and expenses pursuant to this Section, the Paying Agent and DNR will provide written notice to the Participant that it intends to incur fees, costs and expenses. Failure by the Paying Agent or DNR to give the notice will not affect the Paying Agent’s or DNR’s right to receive payment for attorneys’ fees and expenses under this Section 7.4. Upon request by the Participant, the Paying Agent and DNR will provide the Participant with copies of statements evidencing the fees, costs and expenses for which the Paying Agent or DNR is requesting payment. The statements may be edited to maintain the attorney-client privilege.

Section 7.5 Application of Moneys. Any moneys collected by the Paying Agent and DNR under Section 7.3 will be applied first, to pay interest on the Bonds then due and payable, second, to pay
principal on the Bonds then due and payable, third, to pay the fees, costs and expenses owed by the Participant under Section 7.4, and fourth, to pay any other amounts due and payable under this Agreement.

Section 7.6  No Remedy Exclusive; Waiver; Notice. No remedy conferred upon or reserved to DNR or the Paying Agent is intended to be exclusive and every remedy is cumulative and in addition to every other remedy given under this Agreement or existing at law or in equity. No delay or omission to exercise any right, remedy or power accruing upon any Event of Default will impair any right, remedy or power or will be construed as a waiver. Any right, remedy or power may be exercised from time to time and as often as may be deemed expedient. Neither the Paying Agent nor DNR are required to give notice to the Participant in advance of the exercise of any right, remedy or power reserved to them in this Article, except as expressly provided in this Article.

Failure on the part of DNR in any instance or under any circumstances to observe or fully perform any obligation assumed by or imposed upon it by this Agreement or by law will not make DNR liable in damages to the Participant or relieve the Participant from making any payment to DNR or fully performing any other agreement under this Agreement. The Participant may have and pursue any other remedies provided by law for compelling performance by DNR of any agreement of DNR.

PURPOSE AND SCOPE

Section 2.1. Purpose of Compliance Procedure.

(a) Authority’s Use of Tax-Exempt Bonds. The Authority issues Tax-Exempt Bonds and lends Participant Loans or makes the proceeds available to DNR to fund, or reimburse DNR for funding of, certain Participant Loans, the proceeds of which finance Costs of a Project Facility. The Authority understands that in exchange for the right to issue Tax-Exempt Bonds at favorable interest rates and terms, the Code and Regulations impose ongoing requirements related to the proceeds of the Tax-Exempt Bonds and the Financed Facility financed by the Tax-Exempt Bonds. These requirements focus on the investment,
use and expenditure of proceeds of the Tax-Exempt Bonds and related funds as well as restrictions on the use of the Project Facility.

(b) **IRS Recommends Separate Written Procedures.** The Authority recognizes that the IRS has stated that all issuers of Tax-Exempt Bonds should have separate written procedures regarding ongoing compliance with the federal tax requirements for Tax-Exempt Bonds.

(c) **Authority Commitment.** The Authority is committed to full compliance with the federal tax law requirements for all of its outstanding and future issues of Tax-Exempt Bonds. This Compliance Procedure is adopted by the Authority to comply with IRS directives and to improve federal tax law compliance and documentation. Because each Participant is primarily responsible for the expenditure and investment of proceeds of its Participant Loan and the use of its Project Facility, this Compliance Procedure provides that each Participant will assume substantially all obligations related to post-issuance compliance for its Participant Loan. The Authority will assume responsibility for annually monitoring each Participant’s compliance with the post-issuance tax requirements through use of the Participant Annual Compliance Checklists. The Authority will assume responsibility for ensuring compliance with the remaining post-issuance tax requirements for all Tax-Exempt Bonds primarily consisting of compliance with the arbitrages and rebate requirements.

Section 2.2. **Scope of Compliance Procedure; Conflicts.** This Compliance Procedure applies to all Participant Loans, both currently outstanding and issued in the future, and all Tax-Exempt Bonds, both currently outstanding and issued in the future. If the provisions of this Compliance Procedure conflict with a Tax Compliance Agreement or any specific written instructions of Bond Counsel, the terms of the Tax Compliance Agreement or specific written instructions of Bond Counsel will supersede and govern in lieu of this Compliance Procedure. Any exception to this Compliance Procedure required by Bond Counsel as part of a future issue of Tax-Exempt Bonds will be incorporated in the Tax Compliance Agreement for the future issue. Any requirements imposed on the Authority or a Participant in the Tax Compliance Agreement will be noted by the Bond Compliance Officer and incorporated into the Authority Annual Compliance Checklist and/or the Participant Annual Compliance Checklist.

Section 2.3. **Amendments and Publication of Compliance Procedure.** This Compliance Procedure may be amended from time-to-time by the Authority. Copies of this Compliance Procedure and any amendments will be included in the permanent records of the Authority.

**ARTICLE III**

The Bond Compliance Officer will consult with Participants, DNR, Bond Counsel, legal counsel to the Authority, accountants, tax return preparers and other outside experts to the extent necessary to carry out the purposes of this Compliance Procedure. The Bond Compliance Officer will report to the Authority as necessary, and at least annually, regarding implementation of this Compliance Procedure and any recommended changes or amendments to this Compliance Procedure.
Section 3.2. Training.

(a) Training Programs. When appropriate, the Bond Compliance Officer and/or other employees of the Authority under the direction of the Bond Compliance Officer will attend training programs offered by the IRS or other industry professionals regarding Tax-Exempt Bonds that are relevant to the Authority.

(b) Change in Bond Compliance Officer. Any time an individual acting as the Bond Compliance Officer passes the responsibilities for carrying out the provisions of this Compliance Procedure to another individual, the Authority will ensure the incoming individual acting as Bond Compliance Officer is trained on how to implement the policies and procedures included in this Compliance Procedure to ensure the Authority’s continued compliance with the provisions of this Compliance Procedure and all Tax Compliance Agreements for any outstanding Tax-Exempt Bonds.

To the extent the Authority relies on or acts at the direction of the Participant, the Tax Compliance Agreement will contain appropriate provision for Authority indemnification by the Participant.

Section 7.3. **Accounting and Recordkeeping.** The Bond Compliance Officer will assure the accounting for the investment and allocation of proceeds of the Tax-Exempt Bonds is accomplished. The Bond Compliance Officer may use accounts established pursuant to a trust indenture for the Tax-Exempt Bonds to assist it in accounting for the investment and expenditure of Tax-Exempt Bonds. For Tax-Exempt Bonds that are issued to refund prior Tax-Exempt Bonds, the Tax Compliance Agreement will set out special accounting and allocation procedures for the proceeds of the financing, and if necessary proceeds of the refinanced Tax-Exempt Bonds. The Bond Compliance Officer will be responsible for assembling and maintaining the Tax-Exempt Bond File.

Section 7.4. **Final Allocation of Bond Proceeds.**

(a) **Preparation of Final Written Allocation; Timing.** The Bond Compliance Officer will assure a written allocation of Tax-Exempt Bond proceeds to Participant Loans and other expenditures is prepared. This process will be memorialized in the Final Written Allocation. For a new money financing, the Bond Compliance Officer will commence this process as of the earliest of (1) the requisition of all Participant Loan proceeds from any segregated Tax-Exempt Bond funded account, (2) the date the Project Facilities
have been substantially completed or (3) four and one-half years following the issue date of the Tax-Exempt Bonds. For Tax-Exempt Bonds issued only to refund a prior issue of Tax-Exempt Bonds, the Participant Bond Compliance Officer will work with the Participants and Bond Counsel to prepare and/or document the Final Written Allocation for the Financed Facility financed by the refunded Tax-Exempt Bonds and include it in the Tax Compliance Agreement.

(b) **Contents and Procedure.** The Bond Compliance Officer will consult the Tax Compliance Agreement and, if necessary, contact Bond Counsel to seek advice regarding any special allocation of Tax-Exempt Bond proceeds and other money to Participant Loans and other expenditures. If no special allocation is required or recommended, the Bond Compliance Officer will allocate proceeds of the Tax-Exempt Bonds in accordance with the Authority’s accounting records. Each Final Written Allocation will contain the following: (1) a reconciliation of the actual sources and uses to fund Participant Loans, (2) the percentage of each Participant Loan financed with proceeds of the Tax-Exempt Bonds and (3) any special procedures to be followed in completing the Authority Annual Compliance Checklist.

(c) **Finalize Authority Annual Compliance Checklist.** As part of the preparation of the Final Written Allocation, the Bond Compliance Officer will update the draft Authority Annual Compliance Checklist contained in the relevant Tax Compliance Agreement. The Bond Compliance Officer will include reminders for all subsequent arbitrage rebate computations required for the Tax-Exempt Bonds in the Authority Annual Compliance Checklist.

(d) **Review of Final Written Allocation and Authority Annual Compliance Checklist.** Each Final Written Allocation and Authority Annual Compliance Checklist will be reviewed by legal counsel to the Authority or Bond Counsel for sufficiency and compliance with the Tax Compliance Agreement and this Compliance Procedure. Following the completion of the review, the Bond Compliance Officer will execute the Final Written Allocation.
