SUMMARY

This Council Bill removes the Sunday Sales Liquor License classification due to a change in Missouri State Law.

BACKGROUND

The Missouri Legislature eliminated the specific times for Sunday sales of alcohol and now Sunday is treated like all other days of the week. As a result, there is no longer a need for a special Sunday sales liquor license. The City Council recently amended Section 10-3 and repealed Section 10-4 of the Code of Ordinances to align with the new State law. Accordingly, this Council Bill removes the Sunday Sales Liquor classification, so that our fees are compliant with the State.

This change will be effective on April 1, 2022.
