REPORTS AND COMMUNICATIONS

News from the Public Information Office

Leaves, yard waste, trash, recycling! These are important topics relating to Solid Waste Management of a city, and Joplin staff members are asking residents how they'd like to see these items managed in the City of Joplin. This is the first step in developing a Solid Waste Master Plan to help achieve diversion goals while working to improve customer satisfaction with solid waste services and plan for necessary infrastructure for the next 20 years.

Public involvement is essential to developing this plan and we invite our citizens to the Public Meetings on Wednesday, April 6. There are two sessions to choose from: an afternoon time of 2 to 4 PM or an early evening from 5 to 7 PM. The sessions will be

held here in the Council Chambers of City Hall, and citizens can arrive anytime throughout the duration of these meetings.

The public can view informational displays, discuss these issues with staff and our consultant as well participate in a couple of survey boards at the Open House. If unable to attend the public meetings, citizens can voice their preferences and priorities through a simple survey www.surveymonkey.com/r/JoplinSWMP Information about the survey and public meetings are posted on the City's website and Facebook page.

Speaking of the City's waste management services – the City's Tree Limb Drop Off will be open on the third Friday and Saturday this month, which is April 15 and 16, for people to drop off their limbs and brush they may have gathered during yard work. The site will be open from 8:30 a.m. to 2 p.m. at 1702 N. Schifferdecker. This is about a half-mile north of Belle Center Road.

The drop-off site will be open every third Friday and Saturday through October.
