

Fire Station 7 Proposed Location

This property will adequately protect the Cross-Roads Industrial park as well as several businesses, residents along East 32nd Street and parts of both I-44 and I-49 that are currently outside the 1.5-mile road distance from Station 5. Station 7 will also provide services within the boundary area (in blue) of 16th Street to the north, Connecticut to the west, and the city limits to the south and east. This station will also provide mutual and automatic aid support to the Redings Mill Fire Department to the south, and the Dueneweg Fire Department to the east.
