

May 6, 2022

Mr. Lynden Lawson
Assistant Director of Public Works for Operations
City of Joplin
602 S. Main Street
Joplin, MO 64801

Re: Joplin, Missouri
Joplin ADA Ramp Improvements

Dear Mr. Lawson:

We have reviewed the one (1) bid received May 5, 2022, for the construction of the referenced project, and we have confirmed that G&G Construction Company, Inc. of Carthage, MO is the apparent low bidder. G&G Construction Company, Inc. has indicated that they intend to enter into a contract with the City to construct the project. G&G Construction Company, Inc. is not presently debarred or suspended, and they appear to be capable of obtaining all necessary bonds and insurance, and to perform the work specified.

It is our recommendation that the City award the construction contract to G&G Construction Company, Inc. in the amount of \$178,474.00 for the Joplin ADA Ramp Improvements project.

A copy of the tabulation of bids, Notice of Award, and Agreement form for the work have been included for your review and use. If the City concurs with this recommendation, please fully execute and return to our office three (3) copies of the Notice of Award. A copy of G&G Construction Company, Inc. Bid and Bid Bond have been included with this letter for your records.

Once the Notice of Award document is received back by our office, we will submit Contract Documents to the Contractor for execution and schedule a project pre-construction conference.

Please contact me if you have any questions.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.

Blake Watson, P.E.
