Mr. Lynden Lawson  
Assistant Director of Public Works for Operations  
City of Joplin  
602 S. Main Street  
Joplin, MO 64801

Re: Joplin, Missouri  
Shoal Creek WWTF Boiler Replacement 2022

Dear Mr. Lawson:

We have reviewed the bid received June 7th, 2022, for the referenced project. Performance Boiler & Mechanical LLC has indicated that they intend to contract with the City to construct the project. Performance Boiler & Mechanical LLC is not presently debarred, and they appear to be capable of obtaining all necessary bonds and insurance, and performing the work specified.

It is our recommendation that the City award the construction contract to Performance Boiler & Mechanical LLC in the amount of \$234,344.47 for the Shoal Creek WWTF Boiler Replacement.

A copy of the bid tabulation, Notice of Award, and Agreement form for the work have been included for your review and use. If the City concurs with this recommendation, please fully execute and return to our office three (3) copies of the Notice of Award. A copy of Performance Boilers Bid and Bid Bond have been included with this letter for your records.

Once the Notice of Award document is received back by our office, we will submit Contract Documents to the Contractor for execution and schedule a pre-construction conference.

Please contact me if you have any questions.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.
