

On Saturday, 11/10/2012, a combined effort between the Southwest Missouri Fraternal Order of Police Lodge 27, R & R Trucking, Qdoba Mexican Grill, and Joplin Enforcers football team will occur to help those devastated by Hurricane Sandy.

R & R Trucking is providing a semi trailer that will be placed in the parking lot of Qdoba's Mexican Grill, 3102 East 7th Street Joplin. At 9 a.m. we will have members from all these agencies gathered to take in as many of the listed items needed to assist those in their time of need. For those that would like to donate items but can't make it to the drop site you may contact the Southwest Missouri FOP at 417-629-8720 and arrangements to pick up the items will be made. We appreciate all those that can help in any manner to return the favor for those that helped us during the tragic Joplin Tornado of 2011. We will continue to take in items on Saturday until the trailer is full or 8 p.m., whichever comes first. We will make a concerted effort to help those that wish to help us in this endeavor.

Qdoba Mexican Grill will donate buy one get one free meal to everyone that makes a donation.
