

## JOPLIN'S RESIDENTIAL TRASH & RECYCLING SERVICE

**ATTENTION Contractors | Homeowners | Tenants | Landlords | Property Managers**  
**Effective Until April 1, 2019 to March 31, 2019**

- ◇ The City manages the Residential Trash & Curbside Recycling Service through **Republic Services** for every single-family dwelling or duplex that has an “activated” water meter and are inside the Joplin city limits. If the water is **turned on** but the living unit is **unoccupied**, a trash fee (and waste water fee) **will still be** charged.
- ◇ A **96 or 65 gallon (blue) polycart** is provided by Republic Services. Carts remain the property of Republic Services, and shall stay with the house. **If the house/duplex does not already have a cart—or more information is required—please contact Republic Services at 800-431-1507.** All trash must be contained in the cart so that the lid is closed. Any extra trash must be properly containerized and placed next to the cart. An additional cart will be provided—at no additional charge—to those that Republic Services deems as having extra trash each week.
- ◇ **Bulky items** may also be set out with the regular weekly trash at no extra charge.
- ◇ The charge for residential trash service is **\$11.95** (\$11.40 for the Joplin Trash Fee plus a \$0.55 Administration Fee.) This monthly charge is on the utility bill generated by the City of Joplin.
- ◇ Optional **CURBSIDE RECYCLING** service is available for an additional **\$4.75** per month. Call Republic Services for details. A separate cart with a light blue lid will be delivered for ALL-IN-ONE recycling.
- ◇ To learn which day the house is **scheduled** for weekly trash service, contact Republic Services.
- ◇ Trash collection starts at **6:00 AM**. Place polycart at the curb/alley no earlier than 12 hours before collection day, and please remove cart within 12 hours after collection.
