

Food Protection Manager Training

For managers and shift leaders needing a higher level of food safety training than a food handler class.

Exam Websites

All exams must be proctored and passed to receive certification.

Exam websites may also offer training at an additional fee.

1. learn2serve.com
2. statefoodsafety.com
3. National Registry of Food Safety Professionals nrfsp.com
4. National Restaurant Association servsafe.com
5. prometric.com
6. tomfoodsafety.com is a local resource in the Joplin area. Go the website or call (417)350-2115 to schedule a class. Classes are held in Joplin, Springfield, and Branson every month.

A food handler certification is an excellent option for anyone working with food.

These exam websites may offer food handler certifications.

Exams are subject to change. Visit ANSI website for the most up to date information on training and exams.
