

The 2009-2012 Transportation Improvement Program (TIP) document is being amended to include two additional MoDOT highway projects and a revision to a Transit Project. The TIP contains transportation and transit projects in the Joplin Metropolitan Area that are partially funded by Federal transportation programs for a four-year period. Listed below is the amendment going into the 2009-2012 Transportation Improvement Program.

MoDOT – Updated Project		Funding	Fiscal Year				
			2009	2010	2011	2012
