WITNESSETH:

WHEREAS, the City of Joplin desires to engage the Architect to render certain technical and professional services in connection with a project identified in this Agreement;

WHEREAS, the Architect made certain representations and statements to the City with respect to the provision of such services and the City has accepted said proposal; and

WHEREAS, the Architect is licensed by the Missouri Board for Architects, Professional Architects, and Engineers to perform the services designated under this contract, and further represents that all services shall be done under the direction of a licensed professional by the Missouri Board for Architects, Professional Architects, and Engineers;

NOW, THEREFORE, for the considerations herein expressed, it is agreed by and between the City and the Architect as follows:

1. **Services.** The City agrees to engage the services of the Architect and the Architect agrees to perform the services described in this Agreement. The services of the Architect shall commence as soon as practicable after the execution of this Agreement, unless otherwise directed in writing, and shall be undertaken and completed in such sequence as to assure their expeditious completion in the light of the purposes of the contract. The Architect shall be responsible for the professional quality, technical accuracy, timely completion, and the coordination of all designs, drawings, specifications, reports, and other services furnished by the Architect under this Agreement. Approval by the City and other agencies of drawings, designs, specifications, reports, and incidental Architecting work or materials furnished hereunder shall not in any way relieve the Architect of his responsibility for the technical adequacy of his work except as to matters involving peculiar conditions or uses of the property known to the City or other agencies but not to the Architect.
  - (a) **Scope of Services.** The Scope of Services is set out specifically in the Request for Qualifications, 2016-RFQ-03, which is incorporated fully herein and attached hereto as Exhibit A. Exhibit A provides General Requirements and Specific Requirements. The Scope of Services for this Agreement shall also include the Services as set forth in the Architect's Response and Proposal to the RFQ, Scope of Services, which is incorporated fully herein and attached hereto as Exhibit C.
2. **Term.** The services of the Architect shall commence as soon as practicable after the execution of this Agreement, unless otherwise directed in writing, and shall be undertaken and completed in such sequence as to assure their expeditious completion in the light of the purposes of the contract, but in any event, all of the services required hereunder shall be completed as set forth in the schedule for the project outlined in this Agreement.
3. **Payment.** The City, pursuant to this Agreement, shall pay Architect the consideration set forth in the Architect's Fee Proposal, which is incorporated fully herein and attached hereto as Exhibit C, which shall constitute complete payment for the services furnished in connection with the work required to be performed under this Agreement. Payment request shall be made pursuant to the Fee Proposal phases and shall be approved by the City and its Project Manager. The total costs for Architect's services

under this Agreement shall not exceed \$475,000.00. The Architect shall also be entitled to payment for expenses related to travel, printing, and courier services in an amount not to exceed \$24,000.00. Said expenses shall be submitted with verifying documentation to the City for payment.

4. **Exchange of Data.** All information, data, and reports as are in the City's possession and necessary for the carrying out of the work, shall be furnished to the Architect without charge, and the parties shall cooperate with each other in every way possible in carrying out the scope of services.
5. **Personnel.** The Architect shall secure at its own expense, all personnel required to perform the services called for under this contract by the Architect. Such personnel shall not be employees of or have any contractual relationship with the City except as employees of the Architect. All of the services required hereunder will be performed by the Architect or under the Architect's direct supervision and all personnel engaged in the work shall be fully qualified and shall be authorized under state and local law to perform such services. None of the work or services covered by this contract shall be subcontracted without the written approval of the City.
6. **Termination of Contract.**
  - a. Termination for breach. Failure of the Architect to fulfill the Architect's obligations under this contract in a timely and satisfactory manner in accordance with the schedule in Exhibit B and description of services set forth in Exhibits A B & C shall constitute a breach of the contract, and the City shall thereupon have the right to immediately terminate the contract. The City shall give written notice of termination to the Architect by one of three different means: Facsimile Transmission ("FAX") if Architect has a FAX number; U.S. Postal Service Mails; or by hand delivering a copy of the same to the Architect; or may give notice by any combination of the above methods. The date of termination shall be the date upon which notice of termination is hand delivered to Architect or given by FAX, or the third day following mailing of the notice of termination, whichever first occurs. In the event of termination for breach, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the Architect under this contract shall at the option of the City become its property, and the Architect shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials; provided, that the Architect shall not be relieved of liability to the City for damages sustained by the City by virtue of any such breach of the contract by the Architect.
  - b. Right to terminate in the absence of breach. Either party may terminate this contract for any reason, by serving notice of intent to terminate upon the other party by the means specified in paragraph A of this section. Such notice shall specify the date of termination, but in no event shall either party terminate the contract under this provision upon less than thirty (30) days' notice to the other party; provided, that the parties may mutually agree to waive the thirty (30) day requirement and to shorten the time for notice of termination. In the event of termination in the absence of breach, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports or other materials prepared by the Architect under this contract shall at the option of the City become its property, and the Architect shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents and other materials.
7. **Conflicts.** No salaried officer or employee of the City, and no member of the City Council shall have a financial interest, direct or indirect, in this contract. A violation of this provision renders the contract void. Any federal regulations, and applicable provisions in Section 105.450 et seq. RSMo. shall not be violated. Architect covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services to be performed under this contract. The Architect further covenants that in the performance of this contract no person having such interest shall be employed.
8. **Assignment.** The Architect shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation), without prior written consent of the City thereto. Provided, however, that claims for money due or to become due to the Architect from the City under this contract may be assigned to a bank, trust company, or other financial institution without such approval. Notice of such assignment or transfer shall be furnished in writing promptly to the City. Any such assignment is expressly subject to all rights and remedies of the City under this agreement, including the right to change or delete activities from the contract or to terminate the same as provided herein, and no such assignment shall require the City to give any notice to any such assignee of any actions which the City may take under this agreement, though City will attempt to so notify any such assignee.

9. **Confidentiality of Documents.** Any reports, data, design or similar information given to or prepared or assembled by the Architect under this contract which the City requests to be kept as confidential shall not be made available to any individual or organization by the Architect without prior written approval of the City.

11. **Occupational License:** The Architect shall obtain and maintain an occupational license with the City of Joplin, Missouri, if required, by city code and any required state or federal license. The cost for this occupational license shall be borne by the Architect. No contract will be executed by the City until this occupational license has been obtained and that the Architect is current on any City taxes is verified.
12. **Compliance with Laws.** Architect agrees to comply with all applicable federal, state and local laws or rules and regulations applicable to the provision of services and products hereunder, as are enacted as of the date of rendered services. Architect affirmatively states that payment of all local, state, and federal taxes and assessments owed by the Architect is current.
13. **Reports and Information.** The Architect, at such times and in such forms as the City may require, shall furnish the City such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Contract.
14. **Records and Audits.** The Architect shall maintain accounts and records, including personnel, property, and financial records, adequate to identify and account for all costs pertaining to the Contract and such other records as may be deemed necessary by the City to assure proper accounting for all project funds. The City, EDA, the Comptroller General of the United States, the Departmental Inspector General, or any of their duly authorized representatives, shall have access to any paper or electronic documents, books, correspondence, and records of the Architect (which are pertinent to the Award) to verify the recipient's compliance with Award requirements. See 13 C.F.R. § 302.14. Architect shall maintain all records for at least three (3) years after the recipient makes final payment and all pending matters are closed. See 15 C.F.R. §§ 14.53(b) or 24.36(i)(11), as applicable.
15. **Copyright.** No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Architect.

  - a) The Architect will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, religion, or sex. The Architect will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, national origin, religion, or sex. Such action shall include, but not be limited to, employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Architect agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City setting forth the provisions of this non-discrimination clause.
  - b) The Architect will, in all solicitation or advertisements for employees placed by or on behalf of the Architect, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, religion, or sex.

- c) The Architect will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Contract so that provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.
  - d) The Architect will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
  - e) The Architect will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the City and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
  - f) The Architect shall ensure that the hours of minority and female employment and training must be substantially uniform throughout the length of the contract and throughout each trade. The Architect shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR 60-4. Compliance with the goals will be measured against the total work hour performed.
  - g) In the event of the Architect's noncompliance with the non-discrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part, and the Architect may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
  - h) The Architect will include the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Architect will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the Architect becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the City, the Architect may request the United States Government to enter into such litigation to protect the interests of the United States.
17. **Civil Rights Act of 1964.** Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.
18. **Affirmative Action for Handicapped Workers**
- a. The Architect will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The Architect agrees to take affirmative action to employ, advance in employment, and to otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices, such as employment upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship.
  - b. The Architect agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
  - c. In the event of the Architect's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
  - d. The Architect agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the contractor's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of the applicants and employees.
  - e. The Architect will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the contractor is bound by terms of Section 503 of the Rehabilitation Act of 1973 and is committed to take affirmative action to employ and advance in employment

physically and mentally handicapped individuals.

- f. The Architect will include the provisions of this clause in every subcontract or purchase order of \$2,500 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The Architect will take such action with respect to any subcontractor or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.
19. **Section 504 of the Rehabilitation Act of 1973**, as amended, provides for nondiscrimination of an otherwise qualified individual solely on the basis of his handicap in benefiting from any program or activity receiving Federal financial assistance. All recipients must certify to compliance with all provisions of this Section.

The Architect further covenants that in the performance of this Contract, no person having any such interest shall be employed.
  23. **Interest of Members of a City**. No member of the governing body of the City and no other officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Contract, and the Architect shall take appropriate steps to assure compliance.
