Senior Center Use Policy

Section 1: Overview

As a requirement of the Community Development Block Grant Disaster Recovery (CDBG-DR) funding utilized to construct the senior center facility under the low -moderate clientele (LMC) National Objective, the Senior Center facility must primarily benefit low -moderate income (LMI) individuals. Given the nature and location of the facility as a senior center that provides assistance to elderly individuals daily, Monday through Friday, the City of Joplin will also allow limited public use of the facility to the extent that such use does not alter the primary use and nature of the facility as a senior center.

Section 2: Limited Weekend Use

In order to ensure the primary use is for seniors, City of Joplin limits its rental use to 35 hours a month, between Friday after 6:30 PM through Saturday 10 PM. Availability for those weekends will be on a first-come, first-serve basis. Priority will be given to events that are marketed towards and intended for seniors.

Section 6: Limited Use of Space

The City of Joplin will only permit the use of the dining area for rentals. The Kitchen is not available for rental use to any outside group. The specific areas that are available for use for each event will be determined on a case by case basis and defined within the use agreement between the City of Joplin and the renter.

Section 7: Rental Fee, Property Damage Deposit, & Insurance

The rental fee will be \$100/hour with a 2-hour minimum requirement. A refundable deposit of \$200 will be required. In the event of any property damage, renters are responsible for the amount of repair/replacement as determined by the City of Joplin and will be taken out of the deposit. If the cost of repair/replacement exceeds the amount of the deposit, the renter agrees to pay for the amount that exceeds the deposit. The renter will also provide liability insurance in the amount of \$1 million naming the City of Joplin and the Area Agency on Aging as additionally insured.
