This Council Bill approves a Purchase Order with Ace Pipe Cleaning, Inc. for the 2021-2023 Evaluation and Rehabilitation Toolbox for Wastewater Collection System Project in the amount of One Million One Hundred Twenty-Seven Thousand Nine Hundred Seventy-Nine and 00/100 Dollars (\$1,127,979.00).

**BACKGROUND**

On February 16<sup>th</sup>, Council Bill No. 2021-112 was passed, approving an agreement with Ace Pipe Cleaning, Inc. for the 2021-2023 Evaluation and Rehabilitation Toolbox for Wastewater Collection System Project. The lowest bidder for the competitively bid contract was based on the “Conceptual Purchase Order” list of typical pay items. Now that the agreement is being fully authorized, staff are now ready to issue a purchase order with Ace for work identified in a basin in which smoke testing was performed last year. The reconstruction of those identified defects is contained within the work order accompanying this purchase order (see the attached exhibit for scope and a map of the work area). All work under this contract will be funded by the City’s Sanitary Sewer Rehab Fund No. 415-4542-540-8675.

**FUNDING SOURCE**
