ATTACHMENTS

CB2021-606 Ordinance; Agreement with Environmental Works, Bid Summary.

SUMMARY

This Council Bill approves the issuance of an agreement with Environmental Works in the amount of \$65,950.00 for construction and environmental services.

BACKGROUND

The City hired Environmental Works in 2015 to decommission the Unleaded Fuel tank located at the Public Works Center (PWC). Environmental Works finished that project for the City having developed a liaison with both Department of Natural Resources and the Missouri Petroleum Storage Tank Insurance Fund.

Council approved the contact with All-American Pride LLC. to install the Diesel Tanks, Fuel and DEF dispensers on July 6, 2021 and decommissioning the old diesel tanks are the second part of that component. The approval of the FY 2020-2021 Operating Budget provides for the Garage to replace the Diesel Fuel Dispensers and to decommission the two Diesel tanks on site.

In accordance with the COJ procurement policy, the City advertised for bids to perform this environmental service and decommission the two diesel tanks. Environmental Works was the only company that bid on this project.

FUNDING SOURCE

FY 2020-2021 budget of Garage.

RECOMMENDATION

Staff recommends adoption of this Council Bill on an Emergency basis; being an ordinance dealing with public improvements, environmental services and the availability of the equipment, to be an emergency within the meaning of Section 2.12(6) of the HOME RULE CHARTER of the City of Joplin, Missouri, and as such, this Ordinance shall become effective immediately upon its passage.
