October 7, 2022

Mr. Lynden Lawson  
Assistant Director of Public Works for Operations  
City of Joplin  
602 S. Main Street  
Joplin, MO 64801

Re: Joplin, Missouri  
Tin Cup Lift Station Expansion – Phase 1

Dear Mr. Lawson:

We have reviewed the bids received October 6<sup>th</sup>, 2022, for the referenced project. G&G Construction Co. Inc. has indicated that they intend to contract with the City to construct the project. G&G Construction Co. Inc. is not presently debarred, and they appear to be capable of obtaining all necessary bonds and insurance, and performing the work specified.

It is our recommendation that the City award the construction contract to G&G Construction Co. Inc. in the amount of \$150,850.00 for the referenced project. This is within the Engineers Estimate and lower the next bid.

A copy of the bid tabulation, Notice of Award, and Agreement for the work have been included for your review and use. If the City concurs with this recommendation, please fully execute and return the documents to me. A copy of G&G's Bid and Bid Bond have also been included with this letter for your records.

Please contact me if you have any questions.

Sincerely,

ALLGEIER, MARTIN and ASSOCIATES, INC.

A handwritten signature in black ink, appearing to read 'Jared Nichols'.
