SPECIAL USES

SPECIAL USE PROCEDURE

Certain uses or exceptions are permitted in some zoning districts, only when a special use permit has been obtained from the City Council. Such uses require special study with respect to specific location and design considerations to assure that they will have minimal negative impact on surrounding properties.

The applicant shall first meet with the Planning/Community Development Manager to receive a full explanation of the zoning and special use requirements and an application form.

The applicant shall submit a **completed** application form to the Office of the Planning Division and pay the appropriate fee. The application shall include a plan showing existing and proposed structures on the property in question, adjacent property, parking spaces, driveways, and other information as required by the adopted zoning regulations. An application shall not be processed unless it has been fully completed, the fee paid, and all required information submitted.

The Planning/Community Development Manager shall then schedule consideration of the application at the next regular meeting of the Planning and Zoning Commission. The Office of the Planning / Community Development Manager shall be responsible for having an official notice of the public hearing published in a newspaper of general circulation at least 15 days prior to the hearing and follow the adopted procedures for considering a special use permit as prescribed in the zoning regulations.

The Planning and Zoning Commission shall hold a public hearing at which time citizens and parties of interest shall have an opportunity to be heard. The public hearing may be adjourned from time to time and, upon its conclusion, the Planning and Zoning Commission shall prepare and adopt its recommendation to the City Council. This recommendation shall be submitted along with an accurate record of the public hearing.
