

Vacation of Streets or Easements Procedures

Applicability. Vacation is the process to eliminate any plat, part of a plat, street, alley, utility easement, or public reservation of land. The application shall be made by the public entity owning the property interest in the property sought to be vacated or by all owners of lands adjoining on both sides of the street, alley or public reservation proposed to be vacated.

Review Criteria. A vacation shall be reviewed according to the following criteria:

1. The application is in accordance with the comprehensive plan. In particular, the impact of the vacation on physical patterns, arrangement of streets, blocks, lots and open spaces, and public realm investments reflect the principles and concepts of the plan.
2. Compliance with the requirements of this code. In particular, the vacation is consistent with the intent and design objectives of the subdivision design standards.
3. The vacation reflects sound planning and urban design principles with respect to existing and potential development in the vicinity, including consideration of current and future streets, opens spaces, blocks, lots, and public utilities and facilities.
4. Any impacts identified by specific studies or technical reports are mitigated with generally accepted sound planning, engineering, and urban design solutions, that reflect long-term solutions and sound fiscal investments.
5. No private rights will be injured or endangered by the vacation.
6. The street, easement or other public reservation of land to be vacated no longer serves a public purpose.
7. All resulting lots and parcels are capable of meeting the intent and objectives of the applicable zoning districts and development standards.

Review Procedures. In addition to the general requirements in Table 2-1 and Section 2.01, the following requirements are specific to vacations:

1. Notice shall be published for two consecutive weeks in an official City newspaper. The notice shall state that an application for vacation has been filed in the office of the City Clerk, describing the property fully, and including all other information required for public hearings in Section 2.01.
2. The City Council or the Director may determine that it would be advisable to obtain the recommendation of Planning Commission concerning a vacation application prior to the public hearing before the City Council. In that event, the Planning Commission shall hold its own public hearing on the application according to the same procedures as City Council. At the conclusion of any such hearing, the Planning Commission shall submit its recommendation on the application to the City Council.
3. Approval of a vacation shall be by ordinance adopted by the City Council.

Effect of Decision. The vacation shall be effective on the date specified in the ordinance and after recording with the applicable county Recorder of Deeds. In approving a vacation, the City Council may place any conditions it deems necessary to protect the public health, safety and welfare, including the requirement for easements. The Director shall certify to the City Clerk when any conditions have been met and, upon such certification, the vacation may be recorded.
