

## **Task 6 – Street Inventory and Pavement Assessment**

### **Objective**

To create a formal asset management system for Webb City streets. Pavement assessments will be used to prioritize preventive maintenance according to conditions of the asset and available resurfacing options.

### **Current Status**

Webb City does not currently have a system in place. This will allow the city to become more efficient in the way they manage and maintain asphalt concrete pavements.

### **FY 2023 Work Items**

Complete street inventory and pavement assessment.

### **FY 2023 End Products**

Final street inventory and pavement assessment presented to JATSO Policy Board

### **Schedule for Completion**

This assessment will be completed in FY 2023.

<b>Budget:</b>	\$32,000
Missouri TEAP (Federal)	\$12,000
Non-Federal Match	\$19,750
