Press Release

Emergency Road Conditions Lifted

February 26, 2013

Immediate Release

The Joplin Police Department is lifting “Emergency Road Conditions”. The police department will respond to calls for service and traffic crashes as normal.

Joplin Police wants to remind motorists that the main streets are clear but the side streets are still covered from the winter storm we received today. Care is still needed while driving and approaching any intersection as there may be ice causing the roadway to still be slippery.

Reminder as night falls, so will the temperatures which may result in the roadways becoming icy. Joplin Police remind all motorists that extreme care is still needed while traveling on the roads.
