

Public transportation provides great benefits for you, your company AND your customers!

In today's economic times, every business is looking for new and innovative ways to save some money and improve their bottom line.

Have you considered riding the Sunshine Lamp Trolley? The City of Joplin operates this transportation system utilizing three one-hour loop routes that overlap and provide convenience to Joplin citizens. With the Trolley's routes and their newly established deviation system – the Trolley virtually covers the entire City! A Trolley may even drive by your place of business ten times a day! That's an opportunity you can't pass up.

The City of Joplin is offering businesses a special promotion with the Trolley. The "Going Green" Business Partnership Program would allow your Joplin business to "Go Green" by encouraging your employees and customers to ride the Sunshine Lamp Trolley.

This program provides an opportunity for your business to purchase monthly trolley passes at a discounted rate versus the regular monthly rate of \$30. You may choose to purchase five (5) monthly passes at a cost of \$25 each, ten (10) monthly passes at a cost of \$20 each, or 25 monthly passes at a cost of \$15 each. You may then use these discounted passes at your discretion, possibly either for employee benefits or promotional rewards with your customers. The discounted passes would offer the same unlimited rides for a calendar month as a regularly priced pass.

All businesses are eligible for the program. Businesses choosing to participate need to contact Robert Lolley, Joplin Transit Coordinator, to receive an order form via email or they can download it from the City's website at [www.joplinmo.org](http://www.joplinmo.org). They can complete the order form and provide proper payment (either check or money order) and send it to the MAPS office via mail for processing. Orders should be placed by approximately the 15<sup>th</sup> of the month to allow a two-week period for processing. The MAPS Office will process orders and mail the passes to the businesses before the end of each month.

If you have questions or are interested in having a presentation about the Trolley, whether for your management team or your employees, please contact Robert Lolley at 625-4793 or [rlolley@joplinmo.org](mailto:rlolley@joplinmo.org).

We look forward to working with you and your business in helping Joplin Go Green!
