

Infant Death Investigation 05/25/12

Joplin Police responded to 3516 E. Newman Road, Joplin, MO at 6:21 P.M. on May 24, 2012 for the report of an infant not breathing.

The three month old infant was identified as Isley C. Washington. Investigators were summoned and an investigation was started.

An autopsy was conducted today in Columbia, MO and the cause of death was determined to be positional asphyxia.

Investigators will continue to follow-up but at this time there appears to be no foul play.
